FILE SECTOR: GENERAL SCHOOL ADMINISTRATION
POLICY TITLE: EVALUATION OF THE DISTRICT ADMINISTRATOR

The Medford Area Public School District Board of Education will conduct a closed session in December or January to evaluate the district administrator's performance with the district administrator present. Administrative evaluations shall be conducted in accordance with state law and district procedures.

Through evaluation of the district administrator, the board of education shall strive to:

1. Clarify for the district administrator his/her role in the school system as seen by the board of education.

2. Provide effective administrative leadership for the school system.

3. Clarify for all board of education members the role of the district administrator in the light of his/her job description and the immediate priorities among his/her responsibilities as agreed upon by the board of education and the district administrator.

4. Develop harmonious working relationships between the board of education and the district administrator.

The board of education shall provide itself and/or the district administrator with periodic opportunities to discuss district administrator-board of education relationships, and shall inform him/her in writing, at least annually, of any strengths and inadequacies as perceived by the board of education.
