POLICY TITLE: EVALUATION OF
PROFESSIONAL STAFF

Medford Area Public School District Board of Education (BOE) directs the district administrator or their designee and the administrative staff to develop evaluation procedures and techniques for professional staff. Evaluations shall be conducted in accordance with state law and district procedures.

All professional staff will be evaluated annually during the first three years of employment and at least once every three years thereafter.

Administrators may request that a professional staff member not be evaluated in the second and/or third years of employment. This request must be approved by the district administrator and the BOE must be informed prior to the start of the school year.
