Driving and parking on school property are privileges granted by the Medford Area Public School District board of education (BOE) to persons who have reasons to be in the schools or on school property. The BOE reserves the right to forbid parking on school property at any time, to withdraw the right of any person to use school property for parking and to issue regulations governing parking. The school administration will develop with local traffic authorities a plan for accommodating the flow of traffic on school roadways and traffic regulations.

The assignment of parking areas to staff, students and visitors to the school will be the responsibility of administration. The BOE assumes no responsibility for damage or theft of a vehicle or any item stolen while in or on a vehicle parked on school property.
