**DATE REVISED: March 23, 1995**      **POLICY TITLE: BOARD NEGOTIATING**  
**DATE REVISED: February 16, 2006**      **AGENTS**  
**DATE REVISED: March 21, 2013**

A board of education committee may be appointed to represent the board of education in negotiations with staff. As the board of education's representative, the committee may develop strategy, enter into tentative agreements and provide recommended courses of action to the board of education. Final decisions and agreements are subject to approval of the entire board of education.

The board of education may designate administrator(s) to assist the board of education in staff negotiations.
