The mission of the Medford Area Public School District is to ensure that all students learn. The vision of the Medford Area Public School District: We expect all students to learn at high levels. We will work collaboratively with colleagues, students and parents to challenge and support all individuals to achieve success. To achieve this end, the goals of the Medford Area Public School District shall be:

**Goal 1 – Administrators**

- Communicate clear and consistent expectations and provide ongoing, flexible support to all staff to ensure common goals are accomplished.

**Goal 2 – Curriculum and Instruction**

- Staff will continue to review and revise essential student outcomes to ensure we are setting appropriate goals and identifying intervention/acceleration opportunities.
- Staff will incorporate writing and vocabulary skills to demonstrate knowledge of essential student outcomes across the various disciplines.

**Goal 3 – Student Performance**

- Students will continually show progress towards meeting or exceeding the Wisconsin State Standards as evidenced by local, state and national assessments.

**Goal 4 – Community/Family**

- The district will assist our families to realize/value the connection between education and success in life.
- The district will educate the staff to be more culturally responsive to our community.
