**DATE REVISED: January 3, 2013**  
**DATE REVISED: May 16, 2013**  
**DATE REVISED: December 21, 2020**

Medford Area Public School District prohibits the possession and/or use of laser pointers and/or laser devices by students at any time on school property, at any school-sponsored function either home or away, or in school owned or contracted vehicles. Laser pointers and/or laser devices may be used for instructional purposes by teachers or presenters and shall not be loaned to or checked out by students for their private use.

Unauthorized possession of laser pointers and/or laser devices shall be subject to discipline established by the building principal.
