Medford Area Public School District (MAPSD) Board of Education encourages parent(s)/guardian(s) and other citizens of MAPSD to visit classrooms in order to observe the work of the schools. When visiting a classroom, all parent(s)/guardian(s) and other citizens that do not have students in school must give a 24-hour advance notice to the building principal and may require proof of identification and/or a background check.

In order to assure that no unauthorized persons enter buildings with wrongful intent, all visitors to schools shall report to the school office to receive authorization before visiting elsewhere in the buildings. (This policy does not apply when parents have been invited to an authorized classroom or school activity).
