## State Testing Opt Out Form

The state examinations our students participate in each year serve as an indicator of our student's academic performance. Results of the exam are reported to the Wisconsin Department of Public Instruction for the purpose of school and district accountability.

Under current state law, parent(s)/guardian(s) are allowed to opt their children out of state testing. Please understand, should you elect to opt your child(ren) out of state testing, their score will be reported as a "non-tested student" when calculating overall achievement of students in the Rural Virtual Academy.

If you choose to opt your child(ren) out of the test(s), please sign the "Opt Out" form and return it to the school **no later than two weeks before the scheduled test(s)**. **Email correspondence sent from parents will constitute a signed request.**

**Opt out forms are valid for the current school year only.** You must complete a new opt out form each year.
