If you aren't finding a provider within the in-network search results and you have this plan, you are able to see providers affiliated with Security Health Plan National Access network.

To find providers in the Security Health Plan National Access network, follow these steps.

1. Click the Zelis button below.
2. In the "Access code/Group ID/PIN" field, type in your group ID code from your National Access ID card, or if you don't have one, type in "SHP".
3. Select the state in which you are seeking a provider using the drop-down menu.
4. Click on "Go to Directory."
5. Follow the prompts based on which search criteria you select and Click "Search."

You can also call Zelis at 1-888-621-7900.
