# MONTHLY SCHOOL NUTRITION SERVICES REPORT

School Name/District <b>Medford Area Public School District</b>	Month <b>September</b>	Year <b>2022</b>
To <b>Audra Brooks</b>	Prepared by: <b>David Fisher</b>	

## FINANCIALS & PROGRAM PARTICIPATION

September 2018 with 19 days we had 3705 breakfast, 27277 lunch with 10904 in ala carte  
September 2019 with 19 days we had 4883 breakfast, 28268 lunch with 12660.35 in ala carte  
September 2020 with 21 days we had 9306 breakfast, 27094 lunch with 3539 in ala carte  
September 2021 with 21 days we had 10783 breakfast, 29999 lunch with 7645 in a la carte  
September 2022 with 21 days we had 5963 breakfast, 27581 lunch with 9787 in a la carte

With the start of school we have seen a 45 percent drop in Breakfast and a 8 percent drop in lunch. The brain break was continued at MASH but discontinued at MAES, MAMS and SES.

## PROMOTIONS/SPECIALS/NEW PRODUCTS INTRODUCED

Aviands chef Camilo Garaviot will be visiting Medford on October 26 and 27<sup>th</sup> and spending time at MAMS and MASH. Chef will be preparing and sampling an Apple Salad with local apples from our partner in Edgar, Rock Ridge Orchards. Attached are some pictures of students enjoying a variety of apples at lunch. We also had the pleasure in supporting the FFA students in September by purchasing corn and serving it to our elementary students at lunch.

## TEAM EDUCATION/TRAINING/IN-SERVICES/MEETINGS/UPDATES

The monthly cooks meeting was completed. Monthly safety training was completed which covered handwashing and illness reporting. A new head cook Heidi Doberstein has been trained and started in SES at the beginning of the school year. Heidi has been employed with Aviands for years and has been promoted from cashier to server to assistant cook and now head cook. Starting this month the head cooks have been ordering DOD produce through commodities. This will offer the students fresher fruit.

## CATERING EVENTS

Catering events include Policy meetings, School Board meetings, IEP writing workshops, homecoming bonfire and Staff breakfast and lunch.

## OTHER

I have been working on getting accounts set up to order produce thru local farms. Updating Nutrislice and production sheets that provide a more accurate record. I have been also working with Sysco to improve a better variety of products that can be purchased. This year we have had challenges getting products delivered and have had many substitutions. Looking for improvement in the upcoming months.

It is our pleasure to serve the students at your School District!

# PHOTOS

MAES staff preparing fresh produce. Corn on the cob was purchased from the FFA students.

With the permission of nurse Mindy Aviands purchased lifevac's for every school in the district. Looking for ways to help if an emergency happened. Lifevac is a device that can help a person that is choking on food.

Students enjoying corn on the cob from the FFA students.

A student enjoying a locally grown apple.

Great looking lunches for our students.

Looking forward to new serving lines coming soon.

First delivery in September from Rock ridge orchards. We are going thru 10 bushels per week

Treasurer's Report – (Cash Balance Report) Balance Sheet  
As of September 30, 2022

The Balance Sheet is a report listing the assets and liabilities of the District. This report includes, but is not limited to: cash, accounts receivable, accounts payable, other liabilities, and the fund balance accounts.

The Medford Area Public School District has checking and savings accounts that are used for the current and general operations of the district. The accounts are:

Function 711100-711109 includes the General checking account from Nicolet National Bank and the Payroll account from Abby Bank.

Function 711210-711219 Petty Cash Accounts

Function 712000 Post Retirement Account

Function 712200 Local Government Investment Pool

The cash balance from the prior month is shown under the title of beginning balance. During September, we received 15% of the anticipated state aid for 2022-23. Our expenditures for the beginning of the school year were still high. The next aid payment will be received in early December. The expenditures will level off in October, but with little revenue into the District, the cash balance is anticipated to decrease. We will need to use the line of credit in November until we receive the aid payment in December

<b>DATE REVISED:</b>	

Medford Area Public School District (MAPSD) Board of Education (BOE) requires the district administrator to establish clear understandings on the part of all personnel of the working relationships in the school system.

The chain of command shall be those approved by the BOE.

Personnel are expected to refer matters requiring administrative action to the administrator to whom they are responsible. That administrator shall refer such matters to the next higher administrative authority when necessary. Additionally, all personnel are expected to keep the person to whom they are immediately responsible informed of their activities by whatever means the person in charge deems appropriate.

Established chain of command will serve most purposes. All personnel shall have the right to appeal any decision made by an administrator through grievance procedures established in BOE policy.

Additionally, chain of command does not restrict in any way the cooperative, sensible working together of all staff members at all levels in order to develop the best possible school programs and services.

MAPSD BOE requires the district administrator and other administrators to create and maintain internal mechanisms for collaborative sharing of information and provisions of input among district staff, including creation and use of cross-functional teams and similar work groups when appropriate.

FILE SECTOR: FISCAL MANAGEMENT  
POLICY TITLE: FISCAL MANAGEMENT  
GOALS

The quantity and quality of learning programs are directly dependent on effective, efficient management of funds. It follows that the district's purposes can best be achieved through excellent fiscal management. Further, the Board of Education (BOE) recognizes the important trust it has been given with the responsibility of managing public resources. As trustee of local, state and federal funds allocated for use in public education, the ~~board of education~~ BOE will be vigilant in fulfilling its responsibility to see that these funds are used wisely for achievement of the purposes to which they are allocated.

Because of resource limitations, there is sometimes a temptation to operate so that fiscal concerns overshadow the educational program. Recognizing this, it is essential that the district take specific action to make sure education remains central and that fiscal matters are ~~ancillary~~ secondary and contribute to the educational program. This concept shall be incorporated into ~~board of education~~ BOE operations and into all aspects of district management and operation.

In the district's fiscal management, the ~~board of education~~ BOE seeks to achieve the following goals:

- To engage in thorough advance planning in order to develop budgets and to guide expenditures so as to achieve the greatest educational returns and the greatest contributions to the educational program in relation to dollars expended.
- To establish levels of funding which will provide high quality education for the districts' students.
- To use the best available techniques for budget development and management.
- To provide timely and appropriate information to all staff with fiscal management responsibilities.
- To establish maximum efficiency procedures for accounting, reporting, business, purchasing and delivery, payroll, payment of vendors and contractors and all other areas of fiscal management.

## Review/Consideration

RVA-BBA	Governance Board Powers and Duties

**MEDFORD AREA PUBLIC SCHOOL DISTRICT  
RURAL VIRTUAL ACADEMY**

**DATE ADOPTED:** December 17, 2009 **FILE SECTOR:** RURAL VIRTUAL ACADEMY  
**DATE REVISED:** May 19, 2016 **POLICY TITLE:** GOVERNANCE BOARD  
**DATE REVISED:** May 17, 2018 **POWERS AND DUTIES**  
**DATE REVISED:** February 21, 2022  
**DATE REVISED:**

The Rural Virtual Academy (RVA) Governance Board is contractually empowered under the charter and authorization of the Medford Area Public School District (MAPSD) to determine the curriculum, content, staffing organization, calendar, budget, advisories and general operations of the RVA.

The RVA Board shall be composed of both voting and non-voting members. The Board shall be represented by nine voting delegates and one non-voting delegate from each of the RVA consortium invested member districts, without maximum limit.

**Selection:**

**Voting Delegates:**

The selection of the voting members shall be determined in the following manner:

Three voting seats are perpetually held by the following delegates:

- Parent Advisory Council President
- RVA Teacher (as appointed by RVA Administration)
- Authorized Member (as appointed by Authorizing School District)

The six remaining voting seats will be **equally equitably and perpetually** distributed between invested consortium districts by individual district enrollment size. There are three enrollment categories defined as:

- Invested Small Districts (2 voting seats)
- Invested Medium Districts (2 voting seats)
- Invested Large Districts (2 voting seats)

Annually, prior to the RVA Board's regular May/June meeting, all invested member districts will have their total district enrollment updated for purposes of establishing the equitable disbursement of invested districts across voting categories. The most recently published Department of Public Instruction pupil count data will be used to determine invested member district enrollment. Once the enrollment totals have been determined, invested district enrollment will be sorted from low to high. Divisions will be then established by dividing the total number of invested districts into equitable thirds based on enrollment. If the total number of invested districts can not be divided into three equal categories, the Invested Small Districts will receive one extra member. If there are two extra districts, they will be added to the Invested Small and Invested Medium District

categories.

Each Invested category will have two voting member districts. Invested member districts reserve the right to select or appoint specific delegates to fill their voting seat on the Board. Voting delegates on the Board must not be school district administrators.

Board reorganization, including the selection of voting member districts, will be determined annually at the regular May/June RVA Board meeting through the following process:

- Invested member districts, including non-voting delegates, will be divided into groups based on categorical district enrollment size.
- Through consensus, each invested group will submit recommended districts to the full Board for consideration and approval.
- Upon Board approval of districts, invested member school administrators from selected member districts must appoint a delegate to fill the voting member seat prior the next Board meeting.

Voting delegates are expected to discuss, interject, make and second motions, and vote on all agenda items up for consideration. Voting members may abstain from voting on any particular item personally deemed to be a conflict of interest.

#### Non-Voting Delegates:

Non-voting delegates to the Board are designated by the district administrator of each invested member district. Non-voting members can be school administrators. Non-voting members on the Board may discuss, interject, make and second motions for consideration to the Board.

#### RVA Board President:

The RVA Board President must be representative of one of the six invested member district delegates. The RVA Board President may not hold a perpetual seat on the Board. The RVA Board President must be appointed and filled by a delegate at the next regular Board meeting following the selection of invested member districts. The RVA Board President should assist in the setting of Board agendas and may elect to preside over Board meetings or appoint the RVA Administrator to Chair Board meetings.

#### RVA Administrator:

The RVA Administrator is an ex-officio member of the Board. The RVA Administrator shall be allowed to sit with the Board and participate in discussions of agenda items, but shall not be allowed to vote on any matter coming before the Board. If the RVA Administrator also serves as the RVA Teacher, then the member is allowed Board participation and one vote.

#### Terms:

Terms of each voting member district and other delegates, with exception to the Authorizing District, will be limited to two years in length, unless otherwise modified by the Board. Member districts and other delegates can be appointed to serve consecutive two year terms. Delegates from invested member districts can serve consecutive two year terms.

Invested Small and Invested Medium voting member district delegates will serve on the Board through odd years. Invested Large voting member district delegates will serve through even years.

- May 2021: Appoint new Invested Small & Invested Medium member districts
- May 2022: Appoint new Invested Large member district, PAC President, and RVA Teacher
- May 2023: Appoint new Invested Small & Invested Medium member districts
- May 2024: Appoint new Invested Large member district, PAC President, and RVA Teacher
- (continues...)

Voting member delegates may request early termination of their voting seat at the regular May/June Board meeting. Upon notification of early termination to the Board, the delegates will be accepted. The delegate's seat will be refilled by appointment of the invested member district prior to the next Board meeting.

**Committees:**

The RVA Board reserves the right to establish standing or special committees and councils. At present, two councils, the Parent Advisory Council and Administrative Advisory Council, report to and act in consultation with the Board.

**Compensation:**

The RVA Board President will receive \$75 per Board meeting. All other voting delegates will receive \$50 per board meeting, virtually or in-person. Compensation is as permitted by invested member district local school board policy.

All voting members who attend RVA Board meetings in-person will be allowed to submit for mileage reimbursement at the rate determined by the RVA's authorizing school district as permitted by invested member district local school board policy.

Non-voting administrators on the Board receive no compensation or mileage reimbursement for attending Board meetings.

Time served on established committees or councils by Board members are not eligible for compensation or mileage reimbursement.

**Board Powers:**

The RVA Governance Board maintains autonomous decision-making authority over the RVA, in accordance with the charter to perform specific functions including but not limited to:

- Provide input, approve and monitor curriculum designed by or recommended by RVA staff and administration.
- Approve and monitor the annual budget prepared by the RVA Administrator.
- Provide vision and guidance to the school so it retains its uniqueness in meeting the individual academic, social-emotional and physical needs of its students.
- Approve the RVA school calendar.
- Recommend staff for contract approval by MAPSD Board of Education (BOE).
- Establish criteria for admission to the RVA consistent with the contract and charter school laws.
- Propose modifications to the contract as appropriate.
- Communicate any concerns regarding performance of RVA staff to the RVA administrator and/or MAPSD's BOE as appropriate.
- Serve as the primary link between the RVA and the community, articulating the RVA's mission, accomplishments and goals to the public, advocating for the RVA and its students and garnering support from members of the community.
- Plan, coordinate, approve of and carry out programs to raise money and other resources to assist in accomplishing the mission of the RVA.
- Ensure that the RVA is effective in achieving its mission and efficient in using its resources by evaluating the success of the Governance Board and its performance in fulfilling its responsibilities.

Should the RVA operate autonomously under the direction of the authorizing body of MAPSD, or another school district, without the aid of consortium partnerships, an appointed board will be determined by the authorizing district and be comprised of a minimum of four public representatives, including RVA parents/guardians and the RVA Teacher.
