Standing Order for Administration of School Stock Naloxone(Narcan)

PURPOSE:

Opioid overdose occurs when the amount of opioid in the body is so great the individual becomes unresponsive to stimuli and breathing becomes inadequate. Lack of oxygen affects vital organs, including the heart and brain, leading to unconsciousness, coma and eventually death. Naloxone (Narcan) is indicated for the reversal of opioid overdose in the presence of respiratory depression or unresponsiveness. The purpose of this protocol is to provide trained school staff with a standard by which to respond to this life threatening event in the school setting.

AN OPIOID OVERDOSE NEEDS IMMEDIATE MEDICAL ATTENTION

Body System	SIGNS AND SYMPTOMS OF AN OPIOID OVERDOSE
Mouth/Throat	Loud, uneven snoring or gurgling noises
Lungs	Shallow, slow breaths (fewer than 10 per minute) or not breathing at all
Skin	Pale, blue or gray, clammy
Heart	Slow or erratic pulse(heartbeat); Blue lips or fingertips (from lack of oxygen)
Mental	Unresponsive to stimuli such as noise or sternal rub; Unconsciousness
Other	Constricted (pinpoint) pupils; Very limp body

FOR UNRESPONSIVE INDIVIDUAL WHO PRESENT SIGNS AND SYMPTOMS OF OPIOID OVERDOSE

ADMINISTER INTRANASAL NALOXONE(Narcan)

Naloxone (Narcan) (4mg/0.1ml)	1 full spray in 1 nostril	(0.1ml total dose)
-------------------------------	---------------------------	--------------------

1. Attempt to rouse and stimulate the individual (perform a sternal rub by making a fist; rub your knuckles firmly up and down the breast bone).
2. Call 911, Request AED.
3. If possible, monitor and record respirations, heart rate and note suspected opiate overdose(as evidenced by pinpoint pupils, depressed mental status, ect.).
4. If available, administer Naloxone (Narcan).

NALOXONE(NARCAN) NASAL SPRAY:

- a. Remove Naloxone(Narcan) nasal spray from the box by pulling back the tab with the circle.
- b. Hold the Naloxone(Narcan) nasal spray with your thumb on the bottom of the plunger and your first and middle fingers on either side of the nozzle.
- c. Tilt the person's head back and gently insert the tip of the nozzle into either nostril until your fingers are against the bottom of the person's nose.
- d. Press the plunger firmly to give the dose of Naloxone(Narcan).
- e. Place person on their side in a recovery position.

5. Start rescue breathing if not breathing or CPR if there is no pulse.
6. Allow 1-3 minutes for medication to work. If there is no change to the person's condition after 2-3 minutes, give another dose of Naloxone(Narcan) if available as in step 4 above and continue rescue breathing or CPR as indicated.
7. Stay with the person until medical help arrives, Notify EMS of Naloxone (Narcan) administration.
8. Notify parents and school nurse.

WHEREAS, DPI also stated, in relevant part, that “a virtual charter school may coordinate regular attendance at activities, including activities which are educational in nature, at a location within the boundaries of its authorizing school district” and that “a virtual charter school may also coordinate such activities within the boundaries of another school district if a valid intergovernmental cooperative agreement between its authorizing school district and the located school district is in place”;

WHEREAS, pursuant to Wis. Stat. § 118.40(3)(c)1.a., an authorizing district may enter into an intergovernmental cooperative agreement with another school district to operate a charter school within the second school district’s boundaries;

WHEREAS, RVA desires to provide educational programming at its Leased Space within the boundaries of D.C. Everest and has requested authorization from D.C. Everest to continue to do so;

WHEREAS, D.C. Everest has willingly entered into this agreement with Medford and the RVA;

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein, the parties hereto agree as follows:

IN AN AMOUNT NOT TO EXCEED \$8,500,000**

WHEREAS, the Medford Area Public School District, Taylor and Marathon Counties, Wisconsin (the "District"), may be in temporary need of funds from time to time in an amount not to exceed \$8,500,000 outstanding at any one time to meet the immediate expenses of operating and maintaining the public instruction in the District during the current school year and in anticipation of taxes, state aids, income, revenue, cash receipts and other monies to be received by the District for the current school year (the "Expenses");

WHEREAS, the school districts are authorized by the provisions of Section 67.12(8)(a)1, Wisconsin Statutes, to borrow money for such Expenses;

WHEREAS, AbbyBank (the "Bank") has agreed to provide the District with a taxable revolving line of credit (the "Line of Credit") to cover such Expenses which Line of Credit shall be authorized by this Resolution in accordance with the provisions of Section 67.12(8)(a)1, Wisconsin Statutes;

WHEREAS, as required by Section 67.12(8)(a)1, Wisconsin Statutes, the total amount borrowed pursuant to the Line of Credit shall be for the purpose of meeting the immediate expenses of operating and maintaining the public instruction in the District during the current school year, and together with any other borrowings for such purposes during the current school year, shall not exceed one-half of the estimated receipts for the operation and maintenance of the District for the current school year as heretofore certified by the District Clerk;

WHEREAS, any draws or disbursements pursuant to the Line of Credit shall be made on or before June 30 of the current school year, and the Line of Credit shall be repaid in full by November 1 of the next school year;

WHEREAS, the tax for the operation and maintenance of the schools of the District for the current school year has been voted to be collected on the next tax roll prior to the adoption of this Resolution; and,

WHEREAS, to the best of the knowledge, information and belief of the School Board, the District complies with the revenue limits set forth in Sections 121.91 and 121.92, Wisconsin Statutes.

NOW, THEREFORE, BE IT RESOLVED by the School Board of the District that:

1. **Authorization.** The District be authorized to borrow funds for the purpose of paying the immediate expenses of operating and maintaining the public instruction in the District pursuant to Section 67.12(8)(a)1, Wisconsin Statutes, from the Bank from time to time as needed pursuant to the Line of Credit so that the amount outstanding at any one time does not exceed \$8,500,000. To the extent the District has a policy regarding borrowing with requirements that are not met with respect to this financing, such policy requirements are hereby waived.

2. **Terms of the Note(s).** To evidence such borrowing, the District President and District Clerk are hereby authorized, empowered and directed to make, execute, issue, sell and deliver to the Bank, as set forth below, for and on behalf of the District, its Taxable Tax and Revenue Anticipation Promissory Note (the "Note") payable to the Bank.

The Note shall be dated as of its date of issuance; shall bear interest at the fixed rate of 6.50% per annum from the respective dates the outstanding principal amounts are advanced until paid; and shall mature no later than _____, 2026 (the "Maturity Date"). In no event will the interest rate on the Note exceed the rate permitted by applicable law. Interest on the Note shall be paid at the time any disbursement or draw is repaid until the Note is repaid or matures. The Note is subject to optional redemption at the option of the District at any time.

3. **Irrepealable Tax; Segregated Fund; Compliance With Revenue Limits.** So long as the Note, or interest thereon, remain unpaid, the aforesaid tax for operation and maintenance of the District (including the amount budgeted to pay interest on the Note) shall be and continues irrepealable. The District shall segregate in a special fund, tax monies and other available revenues received for operation and maintenance of the District sufficient to pay the principal of and interest on the Note as the same becomes due. Said special fund shall be used for the sole purpose of paying the principal of and interest on the Note. If there shall be insufficient sums in said special fund to meet such payments, the District shall promptly pay the same when due from other monies available in or attributable to the current school year. This covenant specifically includes monies (i.e. deferred tax and state aid payments) attributable to the current school year which are not received prior to the end of the current school year. The District complies with and covenants to continue to comply with the revenue limits set forth in Sections 121.91 and 121.92, Wisconsin Statutes.

4. **Form, Execution and Payment of Note; Disbursement Requests; Appointment of Acting Officers.** The Note shall be issued as a master note and delivered to the Bank in substantially the form attached hereto as Exhibit A-1 (the "Master Note"). Any disbursements under the Master Note shall be made pursuant to a disbursement request in substantially the form attached hereto as Exhibit B-1 (the "Disbursement Request"). The Master Note and any Disbursement Requests shall be executed on behalf of the District by the District President and District Clerk, or other authorized officer under Section 120.05, Wisconsin Statutes to sign on their behalf, sealed with its official or corporate seal, if any, and delivered to the Bank. A facsimile signature of either of the officers may be imprinted on the Master Note in lieu of the manual signature of such officer, but unless the District has contracted with a fiscal agent under Section 67.10(2), Wisconsin Statutes, at least one of the signatures shall be manual. In the event that any of the officers whose signatures appear on the Master Note shall cease to be such officers before the delivery of the Master Note or any Disbursement Request, such signatures shall, nevertheless, be valid and sufficient for the purposes to the same extent as if they remained in office until such delivery. The Master Note and any Disbursement Request shall be payable in lawful money of the United States of America by the District Clerk or District Treasurer. In accordance with Section 120.05(3), Wisconsin Statutes, the School Board hereby appoints the Vice President to discharge the duties of the President and any one of the other School Board members to discharge the duties of the District Clerk as Acting Clerk in connection with the issuance of the Master Note and any Disbursement Request in the event the President and/or the District Clerk are unable to discharge such duties due to disability or absence.

5. **Certification and Draw Request; Disbursement.** The appropriate officers and agents are hereby authorized and directed to present any certifications or other documents requested by the Bank at the times amounts are borrowed pursuant to this Resolution. Each draw or disbursement under the Master Note shall be evidenced by a Disbursement Request to be delivered to the Bank.

6. **Summary of Disbursements.** The District hereby directs the Bank to keep a record of the amounts disbursed pursuant to this Resolution and any Disbursement Request on Exhibit C-1.

7. **Conflicting Resolutions; Severability; Effective Date.** All prior resolutions, rules or other actions of the School Board or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

Title	PHILOSOPHY OF THE BOARD
Code	po0123 (YES)
Status	From Neola

0123 - **PHILOSOPHY OF THE BOARD**

A Board of Education is a legal entity for providing a system of public education within a geographic area of the State of Wisconsin. The system was created by, and is governed by, State statutes. Members of a Board are chosen by citizens to represent them and the State in the governance of the local schools.

The Board has the dual responsibility for implementing statutory requirements pertaining to public education and for meeting the desires of residents. While the Board has an obligation to determine and assess citizen desires, it is understood that when the voters elect delegates to represent them in the conduct of specified educational programs, they, at the same time, are endowed with the authority to exercise their best judgment in determining policies, making decisions, and approving procedures for carrying out the responsibility.

The Board declares and, thereby, reaffirms its intent to:

- A. Maintain two-way communications with citizens of the District. The Board shall keep them informed of the progress and problems of the School District, and the citizens shall be urged to bring their aspirations and concerns about the District to the attention of this body.
- B. Establish policies and make decisions on the basis of declared educational philosophy and goals.
- C. Act as a truly representative body for citizens in all matters related to programs and operations. The Board recognizes that ultimate responsibility for public education rests with the State, but the Board of Education has been assigned specific authority through statute, and the Board shall not relinquish or fail to exercise that authority.

0131.1 - **BYLAWS AND POLICIES**

The Board shall adopt bylaws and policies for the organization and operation of this Board. Such policies are to include those needed to meet the education standards established by Wisconsin Statute. In the event of any conflict between these bylaws and policies and any applicable law or regulation, including temporary emergency orders or mandates, the legal authority shall prevail.

Those bylaws and policies which are not dictated by the statutes or rules of the Department of Public Instruction or ordered by the State Superintendent of Public Instruction or a court of competent authority may be adopted, amended, and repealed at any meeting of the Board,

~~[OPTION: CHOOSE IF TWO READINGS WILL BE REQUIRED FOR POLICY MANUAL REVISIONS]~~

☒ provided the proposed adoption, amendment, or repeal shall have been proposed at a previous Board meeting and, once proposed, shall have remained on the agenda of each succeeding Board meeting until approved or rejected.

~~[OPTION: CHOOSE IF PREVIOUS OPTION REQUIRING TWO READINGS WAS SELECTED, BUT AN EMERGENCY PROVISION IS ALSO DESIRED.]~~

☒ When compelling reasons exist for an immediate revision, the Board may adopt, amend, or suspend any bylaw or policy, provided the amendment, adoption, or suspension does not conflict with law. ~~☐ Any such emergency resolution adopting, amending, or suspending a bylaw or policy under this provision shall expire automatically at the next public meeting of the Board unless the Board moves to adopt the resolution in final form at that subsequent meeting. **~~[END OF OPTION]~~**~~

Bylaws and policies shall be adopted, amended, repealed, or suspended by a majority vote of the Board.

☒ The Board may adopt, amend, or repeal rules of order for its own operation by simple resolution of the Board passed by a majority of those present and voting. **~~[END OF OPTION]~~**

Title	PUBLIC EXPRESSION OF BOARD MEMBERS

Status	From Neola

0143.1 - **PUBLIC EXPRESSION OF BOARD MEMBERS**

The Board President functions as the official spokesperson for the Board. (x) (see Bylaw 0144.5 - Board Member Behavior, Communications, and Code of Conduct)

From time-to-time, however, individual Board members make public statements, or statements to individuals, on school matters:

- A. to local media;
- B. on social media;
- C. to members of the community;
- D. to local officials and/or State officials.

Sometimes the public statements, or statements to individuals, by Board members imply, or the readers (listeners) infer, that the opinions expressed or statements made are the official positions of the Board. The misunderstandings that can result from these incidents may cause issues for the member, the Board, as well as the District. Therefore, Board members should, when writing or speaking on school matters on social media, to the media, members of the community, legislators, and other officials, make it clear that their views do not necessarily reflect the views of the Board or of their colleagues on the Board.

This bylaw shall apply to all statements and/or writings by individual Board members not explicitly sanctioned by a majority of its members, except as follows:

- A. correspondence, such as legislative proposals, when the Board member has received official guidance from the Board on the matters discussed in the letter;
- B. routine, not for publication, correspondence of the District Administrator and other Board employees;
- C. routine "thank you" letters of the Board;
- D. statements by Board members on non-school matters (providing the statements do not identify the author as a member of the Board);
- E. personal statements not intended for publication.

~~1] Copies of this bylaw shall be sent annually to local media by the Board President.~~

0143.2 - **BOARD MEMBER INFORMATION REQUESTS**

It is important for the Board members to be informed about the operation of the District. The administrative team will provide information to keep Board members informed of District operations. As a general rule, information will be distributed to the entire Board.

In order to provide individual Board members with information they request in an effective and efficient manner, the following procedures will be used:

- A. Individual Board members possess all the rights granted to them as citizens of the community, including access to public records. Requests by individual Board members for documents which would be exempt from disclosure to the general public will be presented to the Board for review. The Board will review the request and make a determination as to whether or not the documents will be released to the Board member, consistent with State law.
- B. When a Board member(s) would like the administration to compile information which will require lengthy research and investigation, the request should be submitted to the District Administrator, who will distribute copies to the Board. The request(s) will be reviewed at the next meeting, if possible, by the Board and District Administrator to clarify the request and determine in the context of other priorities if and when the administrative staff should respond to it. The requests, discussion of them, and action indicated will become part of the record of the Board through the meeting minutes for follow-up and subsequent reference.
- C. The District Administrator will discuss with the Board President the validity of any requests as deemed necessary. In making requests for information, data, etc., Board members will make all such requests through Board action unless the request meets the criteria given below:
 1. Individual Board members may request and obtain statistics and reports, etc., that are readily available. All such requests will be submitted to the District Administrator who will have his/her staff gather the information or material.
 - a. Individual Board members may use materials obtained to compile or organize data or statistics to meet their needs.
 - b. Individual Board members may request that materials obtained be disseminated to all Board members.
 2. Board members or committees who request statistics and reports which require substantial investment of time by the administration to fulfill will prepare the request in writing and submit them to the District Administrator, who will distribute copies to the Board. The requests will be reviewed at the next meeting, if possible, by the Board and District Administrator to clarify the request and determine in the context of other priorities if and when the administrative staff should respond to it. The requests, discussion of them, and action indicated will become part of the record of the Board through the meeting minutes for follow-up and subsequent references.
 3. Release of documents to individual Board members will comply with applicable State laws.
 4. The District Administrator will discuss with the Board President the number of requests and legality of requests. The Board may impose limitations on volume, scope, and timing of information requests (other than public records requests) by Board members.

Board members shall perform their official duties in an ethical manner and free from conflict of interest pursuant to 19.59, Wis. Stats. To this end:

0144.5 - **BOARD MEMBER BEHAVIOR, COMMUNICATIONS, AND CODE OF CONDUCT**

The Board functions most effectively when individual Board members act ethically, professionally, and responsibly. Board members serve as a member of the School District's governing body and do not have individual authority to represent a policy or enforce positions that are not supported by a majority of the Board, as evidenced by official action of the Board (See Bylaw 0143 - Authority of Individual Board Members).

Board members accept responsibility for the well-being and positive leadership of the School District, for protecting the interests of the School District as a legal entity, and for facilitating governance for the purpose of delivering the highest quality educational and related services to all of the District's students. Conduct by Board members that compromises the reputation or legal position of the District are prohibited.

Any authority delegated to the Board President in this policy is automatically vested in the Board Vice President in the event that either the Board President is unavailable or the Board President is the Board member accused of violating this policy.

General Expectations of All Board Members

- A. Attend all scheduled Board meetings insofar as possible, and become informed concerning the issues to be considered at those meetings.
- B. Be familiar with and follow applicable local, State, and Federal laws and regulations.
- C. Be familiar with and comply with Board policies, including policies governing Board member conduct and Board member ethics, rules of incompatibility of office, qualifications of the office, and conflicts of interest (see Bylaw 0144.3 - Conflict of Interest).
- D. Conduct themselves with integrity, honesty, and in a manner that reflects positively on the Board and on the District.
- E. Be accountable for guiding and supporting the policy decision-making process that impacts students, staff, and the community. The operation of the District is the responsibility of the administration.
- F. Establish and maintain a high level of honesty, credibility, and truthfulness in all matters dealt with by the Board.
- G. Treat others with respect and dignity at all times, maintain decorum, and always communicate in a way that does not violate or illustrate disregard for Board policy concerning harassment or discrimination. This decency expectation applies in all communications, including while discussing sensitive, controversial, or matters involving disagreement.
- H. At all times conduct themselves in the best interest of the School District, including avoiding implicating the District in unlawful activity or supporting or encouraging efforts to harm the reputation, legal standing, or to bring other material harm to the interests of the District or the Board.

- I. Recognize that they should endeavor to make policy decisions only after full discussion at publicly held Board meetings.
- J. Render all decisions based on the available facts and independent judgment.
- K. Encourage the free expression of opinion by all Board members, and seek systematic communications between the Board and students, staff, and all elements of the community.
- L. Work with the other Board members to establish effective Board policies and to delegate authority for the administration of the District to the District Administrator.
- M. Communicate to other Board members and the District Administrator expressions of public reaction to Board policies and school programs.
- N. Inform themselves about current educational issues by individual study and through participation in programs providing needed information, such as those sponsored by the Wisconsin Association of School Boards, the Consortium of State School Board Associations, and the National School Boards Association.
- O. Support the employment of those persons best qualified to serve as school staff, and insist on a regular and impartial evaluation of all staff.
- P. Refrain from using their Board positions for personal partisan gain.
- Q. Take no private action that will compromise the Board or administration, and respect the confidentiality of information that is privileged under applicable law.
- R. Remember always that their first and greatest concern must be for the educational welfare of the students attending the public schools.
- S. No Board member shall act or fail to act as a member of the Board in violation of 946.12, Wis. Stats., regarding misconduct in public office.
- T. Disclose any actual or perceived conflict of interest.

Board Member Communication

Board members are expected to refrain from engaging in communication on behalf of the Board or on behalf of the District unless authorized to do so by majority vote of the Board (See Bylaw 0143.1 - Public Expression of Board Members).

Any Board member who chooses to engage in individual communication on matters related to Board and/or District business is expected to clearly identify whether the Board member is communicating in the following capacity:

- A. On behalf of the Board: normally, this is the function of the Board President or in the President's absence, the Vice President. The Board may by majority vote delegate this responsibility to another Board member in a specific circumstance. In every case, the Board Member communicating the Board's position shall do so as determined by the Board and avoiding individual interpretation or editorializing.
- B. As an individual Board member, but not on behalf of the Board: a Board member who speaks, including online, in social media forums, or in any other public forum, on matters related to Board and/or District business, but not as an officially designated spokesperson of the Board. The Board member must specify that any statement is not sponsored by the District and is a personal viewpoint.

Board members who fail to adhere to this expectation, or who publicly communicate false or intentionally misleading information pertaining to Board action or District policy, will be asked to correct such communication in a way that is likely to reach the same audience as the false or misleading information. The Board President is authorized to communicate such requests to the pertinent Board member.

The Board President is authorized to issue public statements on behalf of the Board in the event a Board member expresses false or misleading information, or makes statements without properly identifying whether the member of the Board is speaking as an individual Board member. The President's communication should be limited to correcting the false or misleading statement, clarifying that the Board member was not speaking on behalf of the Board, and providing information relative to Board action if any on the subject matter.

[x] Board Member Use of Electronic Communication Devices Prohibited

An individual Board member's use of electronic communication devices, such as cell phones or smartphones, during a Board meeting, both during open session and during closed session, may lead to the public's and/or other Board members' perception that a Board member is not paying attention to the subject matter at hand or that a Board member is receiving information relative to the subject matter at hand that other Board members and members of the public are not receiving, or is communicating with persons not at the meeting regarding the subject matter of the meeting, any of which is inimical to good government and transparency, and, in the case of a closed session, may also be contrary to the legal interests of the Board. Therefore, the Board's use of electronic communication devices (including cell phones and smartphones), other than for the purpose of accessing agenda materials that are on a Board member's tablet or lap top computer, is prohibited during Board meetings.

Exceptions may be made by the Board in case an emergency or other special circumstance warrants an exception.

~~[END OF OPTIONAL SECTION]~~

Board Member Interaction with Staff

The general expectations of Board member decorum and civility apply to interactions with employees; however, because the Board is the employer of all District staff, this responsibility is appropriate for special reference. Each Board member is an individual with authority to bring matters to the Board and to influence matters related to staff. Therefore, it is imperative that Board members treat all employees with respect and as professionals. Board members are also required to comply with Board Policies governing employee anti-harassment, non-discrimination, and threatening behavior.

No Board member has inherent authority to require any staff member to respond to the Board member regarding a specific request for information, or to direct any staff member to perform or not perform any task, except as provided by Board policy or as directed by majority vote of the Board.

Board members access to and request for School District records and information is governed by Board Bylaw 0143.2 - Board Member Information Requests.

Board Member Records and Confidentiality

Board members are expected to maintain their own public records created on resources not controlled by and thus not maintained by the School District. Each Board member is an elected official responsible for preserving all public records the Board member creates, and to comply with requests to inspect such records. The District has no obligation nor responsibility to assist any Board member in fulfilling this responsibility with respect to records that are not maintained by the District.

Board members are encouraged to review Board policy defining and explaining public records, their maintenance, and public access (See Board Policy 8310 - Public Records).

Board members are expected to maintain and protect the privacy of District records, including student records, and communications received in closed-session meetings of the Board. Board members must also protect and not disclose records consistent with, and governed by, the Family Education Rights and Privacy Act (FERPA).

Enforcement

Complaints alleging violations of the Board Member Code of Conduct may be brought by any person and can be submitted to the Board President or, if the Board President is the member accused of violating this policy, to the Vice President.

The President or Vice President shall review the complaint and determine whether the officer can investigate the matter or if the President or Vice President needs to contact the School District's legal counsel for support. Upon completion of the investigation, if the conclusion reached is that the Board member violated the policy, the investigator shall brief the Board and may recommend action to be taken.

Board members are elected officials and therefore cannot be disciplined, prevented from participating in Board meetings, or removed from office by the Board. The Board may consider the following:

- A. formal censure by resolution passed by a majority of the Board in an open session meeting of the Board;
- B. removal from Board committee assignments for the remainder of the year and until the following organizational meeting of the Board, at which time the President is authorized to continue to withhold committee assignment. Approval of this sanction is an adopted exception to Bylaw 0155 - Committees;

- C. restriction on Board member rights granted by policy, including requesting items for a Board meeting agenda;
- D. referral to proceed with efforts to remove the Board member from office for cause, which means inefficiency, neglect of duty, official misconduct, or malfeasance in office;
- E. referral to law enforcement if any alleged misconduct constitutes potentially unlawful conduct;
- F. other efforts to pursue compliance with and adherence to the policy as determined by the Board and not prohibited by law.

0164 - MEETINGS

Regular Meetings

The Board shall hold a meeting at least once each month on a date and at a time and place determined by the Board.

Change of Regular Meetings

If the Board changes the date, time, or place of a regularly scheduled meeting, the meeting notice shall state the date, time, place, and subject matter of the rescheduled meeting, as well as the name and address of the District. Said notice shall be posted

(x) on the front door of the Administrative Office Building and

at such places as the Board may determine. Meeting notices of scheduled Board meetings shall be posted in accordance with State law. (See also Policy 0166 - Agenda)

Special Meetings

A special meeting of the Board shall be held upon the written request of any Board member provided there is compliance with the following notice provisions and State law.

The School District Clerk or, in the School District Clerk's absence, the President shall fix a reasonable date, time, and place for the meeting. The School District Clerk or, in the School District Clerk's absence, the President shall notify each Board member of the date, time, and place of the meeting, in a manner likely to give the Board member notice of the meeting, at least twenty-four (24) hours before the meeting. If the School District Clerk or, in the School District Clerk's absence, the President determines that providing notice at least twenty-four (24) hours before a special Board meeting is, for good cause, shown by the School District Clerk or President, impossible or impractical, the School District Clerk or President may notify each Board member of the date, time, and place of the meeting less than twenty-four (24) hours, but not less than two (2) hours, before the meeting. A notice of any special meeting shall be posted at least twenty-four (24) hours before said special meeting at the District office and such other places as the Board may determine unless, for good cause, such notice is impossible or impracticable, but in no case may the notice be less than two (2) hours in advance of the meeting.

A special meeting may be held without prior notice if all Board members are present and consent, or if each member consents in writing even if the Board member does not attend, provided appropriate notice is provided as defined under Chapter 19.

The District Administrator and those administrators directed by the District Administrator shall attend all meetings, when feasible. Administrative participation shall be by professional counsel, guidance, and recommendation - as distinct from deliberation, debate, and voting of Board members.

Notice of Meetings

Public notice of all Board meetings, ☒ and other meetings subject to Policy 8309 - Open Meetings for Non-Board Committees, ~~[END OF OPTION]~~ shall be given pursuant to statute. Such notice shall be given, without cost, to any news media which submits a written request for meeting notices and to a news medium likely to give notice in the District's geographic area. In addition, such notice shall be made public in at least one (1) of the following ways:

- A. posting the notice in at least three (3) public places likely to give notice to persons affected;
- B. posting the notice in at least one (1) public place likely to give notice to persons affected and on the governmental body's website; or
- C. by paid publication in a news medium likely to give notice to persons affected.

☒ The notice shall be given, without cost, to the District's official newspaper, the _____. ~~[DRAFTING NOTE: The official newspaper of the District, if required according to criteria in 985.05, Wis. Stats.]~~

The notice shall list the date, time, place, and subject matter of each regularly scheduled meeting of the Board, including subjects intended for the consideration at any closed session, in the form which is reasonably likely to inform members of the public and the news media. To assure that notice of a meeting is specific enough to apprise the public of the purpose of the meeting, the following factors shall be considered: (1) the time and effort required to provide detailed notice; (2) the level of public interest in the particular subject; and (3) whether the meeting will involve routine or novel issues. The notice shall contain the name and address of the District and its telephone number. The notice shall be given at least twenty-four (24) hours prior to the meeting unless for good cause such notice is impossible or impractical, but in no case may the notice be less than two (2) hours in advance of the meeting.

☒ The notice shall also contain the following statement:

"Upon request to the District Administrator _____, submitted twenty-four (24) hours in advance, the District shall make reasonable accommodation including the provision of informational material in an alternative format for a disabled person to be able to attend this meeting." ~~[DRAFTING NOTE: this language is not required in the meeting notice, however, it is recommended because the Board is obligated to make meetings accessible, including with accommodations, to persons with a disability who wish to attend the meeting regardless of whether this statement is included or not. This clause provides the obligation to give advance notice of any such need so as to assist in providing the accommodation rather than the individual making such requests on the day of or at the meeting itself].~~

~~[END OF OPTION]~~

Cancellation of Meetings

If a regularly scheduled and legally noticed meeting needs to be canceled (e.g., inclement weather, electrical outage, broken water pipe, lack of quorum, etc.), the Board President or designee shall have the authority to cancel or reschedule the meeting. To the extent practical, a notice of cancellation should be provided, similar to the notice of the meeting.

Virtual Participation in Meetings

~~[DRAFTING NOTE: Choose one or both of the options below.]~~

~~[Option 1]~~

~~[] Generally, the Board does not allow virtual participation, unless otherwise determined by the () Board, () Board President, [END OF OPTION] or due to an order by an authorized authority preventing in person attendance at a meeting. [OPTION 2]

☒ A Board member may attend virtually in instances where a member is unable to attend in person ~~() due to a scheduled absence from the District or due to an illness or a physical restriction preventing attendance [END OF OPTION].~~ The Board member is responsible for making advance arrangements with the District administration to facilitate participation in the meeting. ~~Remote access during quasi-judicial functions (e.g., termination hearings, expulsions) may be permitted after consultation with legal counsel.~~

~~[END OF OPTIONS]~~

[DRAFTING NOTE: This option may be selected if one of the options above is selected.]

[☒] A Board member may only attend closed session portions of meetings in person **()** unless the Board member verbally represents that they are alone and their physical location is secure from any third parties overhearing the proceedings in closed session **[END OF OPTION]**. **[DRAFTING NOTE: Take this option only if you took Option 1 above.]** **()** Remote access during quasi-judicial functions (e.g., termination hearings, expulsions) may be permitted after consultation with legal counsel. **[END OF OPTION]** **[END OF OPTIONAL PARAGRAPH]**

[DRAFTING NOTE: If considering prohibiting closed session virtual attendance while allowing open session virtual attendance, consultation with District legal counsel is recommended.]

Any Board member attending a meeting remotely may vote in accordance with Bylaw 0167.1 – Voting.

Board members are not provided with technology to facilitate remote Board attendance unless the Board authorizes such expenditure.

[END OF OPTION]

Any Board member attending a meeting or who intended to attend a meeting remotely but is unable to attend or unable to maintain attendance due to technological complications, such as a poor connection or other equipment failures, will be considered absent for all or part of the meeting. The meeting may continue in the member's absence provided that a quorum is still present.

All regular and special meetings of the Board shall be conducted in public. A Board member's presence at a meeting includes his/her presence if attending by telephone or other manner of remote access, so long as such remote access is compliant with State law. ~~Remote access during quasi-judicial functions (e.g. termination hearings, expulsions) may be permitted after consultation with legal counsel.~~

[OPTION]

The Board's meetings shall normally be held at a location within the School District boundaries at a location that may accommodate public attendance. However, the Board authorizes the Board President to determine in certain circumstances that it is necessary or appropriate to hold a regular or special Board meeting by means of remote or virtual participation in the event that emergency circumstances justify such action. The Board President and Board Clerk shall cause such meetings to be noticed accordingly and assure that such notice contains explicit instructions concerning the method or methods of remote public access to the Board meeting and may include remote Board member participation in such meetings. Any meeting held under this provision may include voting as any other Board meeting may and such votes shall not be invalid because of the remote or virtual nature of the meeting.

The Board President will assure that consideration is given to providing the broadest scope of public access to the meeting where no central location for the meeting at which the public may gather is provided. Under no circumstances shall Board members use E-mail to discuss among themselves Board business that is only to be discussed in an open meeting of the Board, is part of an executive session, or could be considered an invasion of privacy if the message were to be monitored by another party.

1130 - ETHICS AND CONFLICT OF INTEREST

The proper performance of school business is dependent upon the maintenance of unusually high standards of honesty, integrity, impartiality, and professional conduct by Board members, and the District's administrative employees, officers, and agents, and is essential to the Board's commitment to earn and keep the public's confidence in the School District.

For these reasons, the Board adopts the following guidelines that are designed to avoid the occurrence or appearance of any conflicts of interest. These guidelines apply to all administrative employees, officers, and agents, including members of the Board. These guidelines are not intended to be all inclusive, nor to substitute for good judgment on the part of all administrative employees, officers, and agents. Administrative employees are expected to perform their duties in an ethical manner and free from an actual conflict of interest or from situations that create the appearance of a conflict of interest, in a manner consistent with 19.59, Wis. Stats. The Board's interest in enforcing this policy is to assure that the decisions and actions of public employees retain the public's trust. Therefore, even a conflict relationship that can be viewed as beneficial to the District or that was intended to be beneficial to the District, may still be a violation of this policy.

- A. No administrative employee, officer, or agent shall engage in or have a personal or financial or other interest, directly or indirectly, in any activity that conflicts or raises a reasonable question of conflict with the employee's, officer's, or agent's duties and responsibilities in the school system. Specifically, administrative employees must perform their duties in a manner that does not violate criminal conflict of interest laws pursuant to 946.13, Wis. Stats. by having a private pecuniary interest in an amount that exceeds \$15,000, but also lesser valued conflicts that nonetheless create the appearance of using one's public position to secure a private pecuniary interest and/or benefit.
- B. Administrative employees shall not directly supervise a relative employed by the District or employed in a position contracted for by the District.
- C. Administrative employees, officers, and agents shall not engage in business, private practice of their profession, the rendering of services, or anything of substantial value or the sale of goods of any type where advantage is taken of any professional relationship they may have with any employee, student, client, or parents of such students or clients in the course of their employment or professional relationship with the School District.

Included, by way of illustration rather than limitation are the following:

1. the provision of any private lessons or services for a fee, unless the provision of services is arranged outside of school and is separate from, and in addition to, regular support provided to students as part of the administrator's regular duties ~~(-) or the service is not provided to students enrolled in one or more class with an administrative staff member~~
[END OF OPTION];
 2. soliciting on school premises or under circumstances which are coercive for the private sale of goods or services to students or other employees;
 3. the use, sale, or improper divulging of any privileged information about a student or client granted in the course of the employee's, officer's, or agent's employment or professional relationship with the School District through their access to School District records;
 4. the referral of any student or client for lessons or services to any private business or professional practitioner if there is any expectation of reciprocal referrals, sharing of fees, or other remuneration for such referrals;
 5. the requirement of employees, students or clients to purchase any private goods or services provided by an administrative employee, officer or agent or any business or professional practitioner with whom any employee, officer or agent has a financial or other relationship, as a condition of receiving any grades, credits, promotions, approvals, or recommendations.
- D. Should exceptions to this policy be necessary in order to provide mandatory services to students or clients of the School District, all such exceptions will be made known to the administrative employee's supervisor and will be disclosed to the District Administrator before entering into any private relationship.
 - E. Administrative employees, officers, and agents shall not make use of materials, equipment, or facilities of the School District for their own personal financial gain or business interest. Examples would be the use of facilities before, during, or after regular business hours for service to private practice clients, or the checking out of items from an instructional materials center for private practice.
 - F. Administrative employees, officers, and agents shall not participate in the selection, award, and administration of any contract to an entity in which they have a pecuniary interest or from which they derive a profit, or in which a dependent of the employee has a pecuniary interest or from which the dependent derives a profit. "Dependent" includes the employee's spouse; unemancipated child, stepchild, or adopted child under the age of eighteen (18); or individual for whom the employee provides more than one-half (1/2) of the individual's support during a year. A "pecuniary interest" means an interest in a contract or purchase that will result or is intended to result in an ascertainable increase in the income or net worth of the employee or the employee's dependent who is under the direct or indirect administrative control of the professional employee or who receives a contract or purchase order that is reviewed, approved, or directly or indirectly administered by the employee.

Administrative employees, officers, and agents may not solicit or accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts.

[X] However, pursuant to Federal rules, the School District has set standards for when an administrative employee, officer, or agent may accept a gift of an unsolicited item of nominal value. For purposes of this section, "nominal value" means that the gift has a monetary value of ~~\$50.00~~ or less. **[END OF OPTIONAL LANGUAGE]**

[DRAFTING NOTE: Section 200.318 of Title 2 of the Code of Federal Regulations allows for non-Federal entities (Districts) to set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. In such a situation, "nominal value" must be defined. Nominal value is frequently defined as anything of value less than \$25, however, local standards may differ.]

- G. Administrative employees, officers, and agents must disclose any potential conflict of interest which may lead to a violation of this policy to the School District. Upon discovery of any potential conflict of interest, the School District will disclose, in writing, the potential conflict of interest to the appropriate Federal awarding agency or, if applicable, the pass-through entity.

The District will also disclose, in a timely manner, all violations of Federal criminal law involving fraud, bribery, or gratuity that affect a Federal award to the appropriate Federal awarding agency or, if applicable, the pass-through entity.

- H. Administrative employees, officers and agents found to be in violation of this conflict of interest policy will be subject to

[X] discipline in accordance with Policy 3139 - Staff Discipline.

~~**[]** discipline as specified in the Employee Handbook.~~

~~[] the following disciplinary actions: [insert School District's disciplinary actions]~~

~~[DRAFTING NOTE: The School District has discretion over the appropriate disciplinary actions. For example, the School District may suspend or terminate the individual's employment, transfer the individual, end the District's professional relationship with that individual, or temporarily re-assign the individual. All disciplinary actions must be in accordance with applicable Federal, State, and local law, as well as any applicable Board policy or employee handbook provisions.]~~

~~[] No administrative employee may accept or engage in any employment, consulting, advising, or other professional activity with any organization other than the District, whether the administrator will receive compensation for such outside activity or not, without first () providing notice to () obtaining the approval of [END OF OPTION] the District Administrator, or in the case of the District Administrator, such () notice must be provided to () approval must be obtained from [END OF OPTION] the Board. () No administrative employee shall receive compensation, including payment for expenses, from any outside organization for any activity related to the administrator's occupation as a professional educator without Board approval.~~

In the event that, within the course of administering a Federally funded grant program or service to the District, an administrative employee identifies a conflict of interest, a potential conflict of interest, or that the appearance of a conflict of interest may arise in the course of administering the Federal grant funds, the administrative employee must immediately notify either the Federal agency administering the grant in a manner consistent with that particular agency's rules on conflict of interests, or the District employee directly responsible for grant compliance. Such notice shall be provided at the earliest possible time.

It is a violation of this policy to take action or to refrain from taking action, or for an administrative employee to otherwise use the employee's public position to obtain a financial gain or anything of substantial value for oneself or the employee's immediate family, as defined in 19.42(7), Wis. Stats.

1211 - **WHISTLEBLOWER PROTECTION**

The Board expects all its employees to be honest and ethical in their conduct, and to comply with applicable State and Federal law, Board policies, and administrative procedures. The Board expects employees to report to their immediate supervisors any violation or suspected violation of any Federal, State or local law, policy, or regulation committed by any employee, or agent of an agency or independent contractor which is doing business with the Board, which creates and presents a substantial or specific danger to the public's health, safety, or welfare. Additionally, employees are expected to report any act or suspected act of gross mismanagement, malfeasance, misfeasance, gross waste of public funds, suspected or actual Medicaid fraud or abuse, or gross neglect of duty committed by an employee or agent of an agency or independent contractor which is doing business with the Board.

It is the responsibility of an administrator who is aware of conduct on the part of any Board member or employee that possibly violates Federal or State law, or Board policy, to call this conduct to the attention of the employee's immediate supervisor. If the administrator's immediate supervisor is not responsive or is the employee whose behavior is in question, the administrator should report the alleged misconduct to the District Administrator.

After such a report is made by the administrator, the immediate supervisor or the District Administrator will ask that the report be put in writing.

Any administrator making such a report shall be protected from discipline, retaliation, or reprisal for making such report as long as the administrator made such a report based on a reasonable and good faith belief that the report is accurate and not based on the administrator's intent to harm, harass, intimidate, or retaliate against another individual.

Administrators are subject to disciplinary action, up to and including termination, for purposely, knowingly, or recklessly making a false report under this policy. Conversely, administrators are subject to disciplinary action, up to and including termination, if they are aware of a violation of Federal, State, or local law that the Board has the authority to correct and they do not make a report confirmed in writing to their immediate supervisor or to the District Administrator, as appropriate.

If the alleged misconduct that is reported involves a Board member, the employee shall report to the District Administrator who is authorized to engage the Board's legal counsel to manage an investigation concerning the matter. If the report concerns the District Administrator the administrator shall make the report to the Board President, who is authorized to engage the Board's legal counsel to manage the investigation.

Upon receipt of a report made by a staff member pursuant to this policy, an investigation shall be commenced as soon as possible and shall be handled expeditiously.

1213 - **STUDENT SUPERVISION AND WELFARE**

Administrators are frequently confronted with situations which, if handled incorrectly, could result in liability to the District and personal liability to the administrator. It is the intent of the Board to direct the preparation of guidelines that would minimize that possibility.

An administrator who is found to have had sexual contact with any student shall be referred to the proper authorities and be subject to discipline, up to and including discharge.

This section should not be construed as affecting any obligations on the part of staff to report suspected child abuse under 48.981, Wis. Stats. and Policy 8462.

Each administrator shall maintain a standard of care for the supervision, control, and protection of students commensurate with their assigned duties and responsibilities which include, but are not limited to, the following:

- A. An administrator shall report immediately any accident or safety hazard about which they are informed, or detect, to their supervisor as well as to other authorities or District staff members as may be required by established policies and procedures.
- B. An administrator shall report unsafe, potentially harmful, dangerous, violent, or criminal activities, or threat of these activities, by students to the District Administrator and local public safety agencies and/or school officials in accordance with Policy 8420 - School Safety.
- C. An administrator should not volunteer to assume responsibility for duties that they cannot reasonably perform. Such assumption carries the same responsibilities as assigned duties.
- D. An administrator shall not send students on any personal errands.
- E. An administrator shall not associate with students at any time in a manner which gives the appearance of impropriety including, but not limited to, the creation or participation in any situation or activity which could be considered abusive or sexually suggestive or involve illegal substances such as tobacco, alcohol, or drugs. Any sexual or other inappropriate conduct with a student by any administrator will subject the offender to potential criminal liability and District discipline, up to and including termination of employment.

This provision should not be construed as precluding an administrator from associating with students in private for legitimate or proper reasons or to interfere with familial relationships that may exist between staff and students.

- F. An administrator shall not disclose personally identifiable information about a student to third parties unless specifically authorized by law or the student's parent(s) to do so.
- G. An administrator, other than the District Administrator, shall not transport students for school-related activities in a private vehicle without the approval of their immediate supervisor and consistent with the provisions of Policy 8660. This does not apply to any student who is an administrator's family member.

- H. A student shall not be required to perform work or services that may be detrimental to their health.
- I. Administrators (x) are discouraged from engaging () shall not engage [END OF OPTIONS] students in social media and online networking media (see also Policy 7544), except for appropriate academic, extra-curricular, and/or professional uses only. [Must be consistent with selections made in Policy 7540, Policy 7540.03, Policy 7540.04.]
- J. Administrators are expressly prohibited from posting any picture, video, meme, or other visual depiction, or comment pertaining to any student on personal or unauthorized social networking media or similar forums. This provision of the policy does not apply to pictures and/or videos taken of public events that may involve or incidentally include depictions of students participating in or observing such events where the purpose of the photo or video is to depict the event, not a particular student. This section does not apply to depictions of an administrator's own child or other relative.

Since most information concerning a child in school, other than directory information described in Policy 8330 - Student Records, is a confidential student record under Federal and State laws, any administrator who shares confidential information with another person not authorized to receive the information may be subject to discipline and/or civil liability. This includes, but is not limited to, information concerning assessments, grades, behavior, family background, and alleged child abuse.

Pursuant to the laws of the State and Board Policy 8462, each administrator shall report to the proper legal authorities immediately, any sign of suspected child abuse, abandonment, or neglect.

1421 - CRIMINAL HISTORY RECORD CHECK AND EMPLOYEE SELF-REPORTING REQUIREMENTS

Criminal History Record Check

To more adequately safeguard students and staff members, the Board requires an inquiry into the background of each applicant the District Administrator recommends for employment on the District's administrative staff. Any contracts with outsourced services, employment agencies, or temporary services must require such providers to conduct and retain a criminal history record check of individuals providing service to the District.

Such an inquiry shall also be made for substitutes who may be employed by the District.

The District Administrator shall establish the necessary procedures for obtaining any criminal history on the applicant.

Should it be necessary to employ a person in order to maintain continuity of the program prior to receipt of the report, the District Administrator may employ the person on a provisional basis until the report is received.

All information and records obtained from such inquiries are to be considered confidential and shall not be released or disseminated to those not directly involved in evaluating the applicant's qualifications.

Employee Self-Reporting Requirement

All District employees shall notify the District Administrator as soon as possible, but no more than three (3) calendar days, after any arrest, indictment, conviction, no contest or guilty plea, or other adjudication of the employee for any criminal or municipal offense.

The District Administrator, as soon as possible, but no more than three (3) calendar days, after any arrest, indictment, conviction, no contest or guilty plea, or other adjudication shall notify the (☒) Board President (☐) for any criminal or municipal offense.

The requirement to report a conviction or deferred adjudication applies to major traffic offenses (e.g., operating under the influence of an intoxicant or other drug, reckless driving, operating after suspension/revocation, failure to report an accident, refusal to take a breath test). Minor traffic offenses (e.g., non-moving violations, speeding, failure to yield, failure to obey a traffic signal, unattended vehicle, illegal parking) do not need to be reported.

However, if an employee drives or operates a District vehicle or piece of mobile equipment or transports students or staff, other than the staff member's own family, in any vehicle they must report any traffic offense (not including parking tickets).

Failure to report under this section may result in disciplinary action, up to and including termination. All employment decisions by the District based on such information must comply with Wisconsin's arrest and conviction discrimination law.

1422 - **NONDISCRIMINATION AND EQUAL EMPLOYMENT OPPORTUNITY**

The Board does not discriminate in the employment of administrative staff on the basis of race, color, national origin, age, sex (including gender status, change of sex, sexual orientation, or gender identity), pregnancy, creed or religion, genetic information, handicap or disability, marital status, citizenship status, veteran status, military service (as defined in 111.32, Wis. Stats.), ancestry, arrest record, conviction record, use or non-use of lawful products off the District's premises during non-working hours, declining to attend an employer-sponsored meeting or to participate in any communication with the employer about religious matters or political matters, or any other legally protected category in its programs and activities, including employment opportunities.

Notice of the Board's policy on nondiscrimination and the identity of the School District's Compliance Officer(s) (see below) will be published on the District's website, posted throughout the District, and included in the District's recruitment statements or general information publications.

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Complainant is the individual who alleges, or is alleged, to have been subjected to discrimination/retaliation, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged discrimination/retaliation.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the District office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Military status refers to a person's status in the uniformed services, which includes the performance of duty on a voluntary or involuntary basis in a uniformed service, including active duty, active duty for training, initial active duty for training, inactive duty for training, full-time National Guard duty, and performance of duty or training by a member of Wisconsin organized militia. It also includes the period of time for which a person is absent from employment for the purpose of an examination to determine the fitness of the person to perform any duty listed above.

Respondent is the individual who has been alleged to have engaged in discrimination/retaliation, regardless of whether the Reporting Party files a formal complaint or is seeking an informal resolution to the alleged discrimination/retaliation.

School District community means students and Board employees (i.e., administrators, and professional and support staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

District Compliance Officers

The Board designates the following individuals to serve as the District's "Compliance Officers" (also known as "Civil Rights Coordinators"; hereinafter referred to as the "COs").

[DRAFTING NOTE: Neola suggests the Board appoint both a male and a female CO in order to provide Complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. The COs may also serve as the District's Section 504 Compliance Officer/ADA Coordinator and Title IX Coordinator. Additionally, by appointing two COs, there should always be a CO available to investigate a claim of discrimination/retaliation that pertains to the other CO, if appropriate.]

The COs shall also verify that proper notice of nondiscrimination has been provided for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), the Age Discrimination in Employment Act of 1975, and the Genetic Information Nondiscrimination Act (GINA) to students, their parents, staff members, and the general public. (**x**) Any sections of the District's postings, notifications, advertisements, or other materials regarding recruiting, hiring, and promotion need to contain a statement of nondiscrimination similar to that in the Board's statement above. In addition, any gender-specific terms should be eliminated from these materials. **~~{END OF OPTION}~~**

Reports and Complaints of Discrimination and Retaliation

Employees are required to report incidents of discrimination and/or retaliation to an administrator, supervisor, or other supervisory employees so that the Board may address the conduct. Any administrator, supervisor, or other supervisory employees who receive such a report shall file it with the CO at the employee's first opportunity, but no later than two (2) days.

Discrimination against an individual based on their sex (including gender status, sexual orientation, and gender identity) is discrimination in violation of Title VII. Specifically, discrimination on the basis of sex stereotyping/gender-nonconformity constitutes sex discrimination. This is true irrespective of the cause of the person's gender non-conforming behavior. Employment actions based upon an individual's sex could be suspect and potentially impermissible.

COs are required to investigate allegations of conduct involving the discrimination or harassment of an employee or applicant based upon his/her gender status, sexual orientation, and gender identity.

Any questions concerning whether alleged conduct might violate this prohibition should be brought to the CO's attention promptly.

Employees who believe they have been discriminated/retaliated against are entitled to utilize the complaint process set forth below. Initiating a complaint will not adversely affect the Complainant's employment. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

The COs will be available during regular school/work hours to discuss concerns related to discrimination/retaliation. COs shall accept reports of discrimination/retaliation directly from any member of the School District community or a Third Party, or receive reports that are initially filed with another Board employee. Upon receipt of a report of alleged

discrimination/retaliation, the CO will contact the Complainant and begin either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged discrimination/retaliation), or ~~[] Option 1 the CO will designate a specific individual to conduct such a process as identified in a pre-defined list of investigators. [END-OF OPTION 1]~~ ☒ **Option 2** the District Administrator will designate a specific individual to conduct the process necessary for an informal or formal investigation. ~~[END-OF OPTION 2]~~ The CO will provide a copy of this policy to the Complainant and the Respondent upon request.

Any Board employee who directly observes discrimination/retaliation is obligated, in accordance with this policy, to report such observations to one of the COs within two (2) business days. Additionally, any Board employee who observes an act of discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the CO must contact the Complainant within two (2) business days to advise of the Board's intent to investigate the alleged wrongdoing.

Investigation and Complaint Procedure ~~(See Form 1422 F2)~~

Except for sex discrimination and/or sexual harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, any employee who alleges to have been subjected to discrimination or retaliation may seek resolution of the complaint through the procedures described below. The complaint procedures involve an investigation of the individual's claims of discrimination/retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Once the complaint process begins, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of discrimination or retaliation with the United States Department of Education Office for Civil Rights, the Wisconsin Equal Rights Division, or the Equal Employment Opportunity Commission ("EEOC").

Complaint Procedure

A Complainant who alleges discrimination/retaliation may file a complaint, either orally or in writing: 1) with a Principal; 2) the CO; or 3) to the District Administrator or other supervisory employees. Any complaint received regarding the District Administrator or a Board member shall be referred to the Board's legal counsel, who shall assume the role of the CO for such complaints. Additionally, if the complaint is regarding a CO, the complaint shall be reported to the District Administrator, who shall coordinate with the other appointed/designated CO or, if appropriate appoint/designate another individual to serve as CO for the complaint regarding a CO.

Due to the sensitivity surrounding complaints of discrimination and retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a Principal, District Administrator, or other supervisory employees, either orally or in writing, about any complaint of discrimination or retaliation, that employee must report such information to the CO at the employee's first opportunity, but no later than two (2) days.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation, including but not limited to a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO still may take whatever actions are deemed appropriate in consultation with the District Administrator.

Within two (2) days of receiving the complaint, the CO or designee will initiate an investigation by at a minimum confirming receipt of the complaint with the Complainant and informing the Complainant of the investigation process.

Simultaneously, the CO will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and upon request provided with a copy of any relevant policies and/or administrative guidelines, including this Policy. The Respondent must also be informed of the opportunity to submit a written response to the complaint and the obligation to do so within five (5) days.

~~**[] [OPTION 1]** Although certain cases may require additional time, the CO or designee will attempt to complete an investigation into the allegations of harassment based on a protected class or retaliation within fifteen (15) days of receiving the formal complaint.~~ **[x] OPTION 2** Investigations shall be completed promptly. What constitutes promptness will depend on the complexity of the issues, the number of incidents or factual elements, the number of witnesses and documents to be consulted, and the availability of witnesses and other evidence. The CO shall keep the Complainant reasonably informed of the investigation's progress. **[END OF OPTIONS]**

The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations, as determined by the CO;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations, as determined by the CO.

At the conclusion of the investigation, the CO shall prepare and deliver a written report to the District Administrator that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Respondent has engaged in harassment/retaliation of the Complainant. The CO's recommendations must be based upon the totality of the circumstances. In determining if discrimination or retaliation occurred, a preponderance of evidence standard will be used.

[x] The CO may consult with the Board's attorney during the course of the investigatory process and/or before finalizing the report to the District Administrator.

In cases where no District CO is able to investigate a complaint due to concerns regarding conflicts, bias or partiality, or for other reasons that impair the CO's ability to conduct an investigation, the CO may **[x]** in consultation with the District Administrator or Board President, if the matter involves the District Administrator, **[END OF OPTION]** engage outside legal counsel to conduct the investigation consistent with this policy.

Absent extenuating circumstances, within five (5) days of receiving the report of the CO, the District Administrator either must issue a written decision regarding whether the charges have been substantiated or request further investigation. A summary of the District Administrator's final decision will be provided to both the Complainant and the Respondent.

If the District Administrator requests additional investigation, the District Administrator must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) days, or as quickly as possible if additional time is necessary due to the availability of necessary witness(es) or documents. At the conclusion of the additional investigation, the District Administrator must issue a final written decision as described above.

If the District Administrator determines the Respondent engaged in discrimination/retaliation toward the Complainant, the District Administrator must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate, effective, and tailored to the specific situation.

~~**[]** The decision of the District Administrator shall be final.~~

OR

[x] A Complainant or Respondent who is dissatisfied with the final decision of the District Administrator may appeal through a signed written statement to the Board within five (5) days of the party's receipt of the District Administrator's decision. The written statement of appeal must be submitted to the District Administrator, who will forward the request to the Board President.

In an attempt to resolve the complaint, the Board shall review the findings and may meet with the concerned parties and their representatives within twenty (20) days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) days of its decision. The decision of the Board will be final.

[END OF OPTIONS]

The Board reserves the right to investigate and resolve a complaint or report of discrimination/retaliation regardless of whether the Complainant pursues the complaint. The Board also reserves the right to have the complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties may be represented, at their own cost, at any of the above-described interviews/meetings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The Board will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations.

All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Respondents must be provided an opportunity to meaningfully respond to allegations, which may include disclosure of the Complainant's identity.

During the course of an investigation, the CO will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that is learned or provided during the course of the investigation.

Remedial Action and Monitoring

If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant, including but not limited to counseling services, reinstatement of leave taken due to the discrimination, or other appropriate action.

The Board may appoint an individual, who may be a District employee, to follow up with the Complainant to ensure no further discrimination or retaliation has occurred and to take action to address any reported occurrences promptly.

Sanctions and Disciplinary Action

The Board shall vigorously enforce its prohibitions against discrimination by taking appropriate action reasonably calculated to stop and prevent further misconduct.

While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and any relevant codes of conduct.

When imposing discipline, the District Administrator shall consider the totality of the circumstances involved in the matter, including the age and maturity level of any student involved. In those cases where discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies.

Where the Board becomes aware that a prior disciplinary action has been taken against the Respondent, all subsequent sanctions imposed by the Board and/or District Administrator shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effect.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging discrimination/retaliation, or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in

any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of discriminatory practices. The District Administrator shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District staff where appropriate. All training, as well as all information provided regarding the Board's policy and discrimination in general, will be age and content appropriate.

Retention of Investigatory Records and Materials

The CO is responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation, which may include but are not limited to:

- A. all written reports/allegations/complaints/statements;
- B. narratives of all verbal reports, allegations, complaints, and statements collected;

- N. copies of the Board policy and/or procedures/guidelines used by the District to conduct the investigation, and any documents used by the District at the time of the alleged violation to communicate the Board's expectations to students and staff with respect to the subject of this policy (e.g., Student Codes of Conduct and/or Employee

Handbooks);

- O. copies of any documentation that memorializes any formal or informal resolutions to the alleged discrimination or harassment;
- P. documentation of any training provided to District personnel related to this policy, including but not limited to, notification of the prohibitions and expectations of staff set forth in this policy and the role and responsibility of all District personnel involved in enforcing this policy, including their duty to report alleged violations of this policy and/or conducting an investigation of an alleged violation of this policy; **[REMINDER: Documentation of training should be maintained regardless of whether there is an investigation of an alleged violation of this policy. It is best practice to maintain a log of all staff members who participate in a training, along with the date, time and location of the training, and a copy of the materials reviewed and/or presented during the training.]**

[DRAFTING NOTE: The following options should be selected if the District concludes that the following items are not adequately encompassed in the preceding paragraphs.]

The documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records).

The documents, ESI, and electronic media (as defined in Policy 8315) created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for not less than three (3) years, but longer if required by the District's records retention schedule.

Title	NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE
Code	po1422.02 (YES)
Status	From Neola
Legal	42 U.S.C. 2000ff et seq. Title II, The Genetic Information Nondiscrimination Act of 2008 29 C.F.R. Part 1635

1422.02 - **NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE**

The Board prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify applicants or employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of the person as an employee, based on genetic information. Harassment of a person because of genetic information also is prohibited. Likewise, retaliation against a person for identifying, objecting to, or filing a complaint concerning a violation of this policy is prohibited.

The identity of the Compliance Officer (see Policy 1422 - Nondiscrimination and Equal Employment Opportunity) shall be posted throughout the District and published in any District statement regarding the prohibition of discrimination on the basis of genetic information in all aspects of employment, in any staff handbooks, and in general information publications of the District as required by Federal and State law and on the District website.

In accordance with Title II of the Genetic Information Nondiscrimination Act of 2008, 42 U.S.C. 2000ff, et seq., and 29 C.F.R. Part 1635 ("GINA"), the Board shall not request, require or purchase genetic information of employees, their family members or applicants for employment. Further, in compliance with GINA, applicants and employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be provided as part of the certification process for FMLA leave, or when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application for employment process. Employees and applicants for employment shall not be penalized for providing genetic information in good faith in response to a request from a District employee or agent, unless that applicant or employee refuses to delete the information at the request of the employee or agent of the District.

~~[] The Board recognizes that genetic information may be acquired through commercially and publicly available media including newspapers, books, magazines, periodicals, television shows or the Internet. The Board prohibits District employees and agents including commercial background investigation agents from searching these sources with the intent of finding or obtaining genetic information, or accessing sources from which they are likely to acquire genetic information. If genetic information about an employee or applicant is obtained in error, it shall be redacted immediately and not shared beyond the point of first receipt.~~

As used in this policy, "genetic information" means information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for or receipt of genetic services or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

The term "genetic information" does not include information about the sex or age of the individual, the sex or age of family members, or information about the race or ethnicity of the individual or family member that is not derived from a genetic test.

As used in this policy, "genetic test" means an analysis of human DNA, RNA, chromosomes, proteins, or metabolites that detect genotypes, mutations, or chromosomal changes. The term includes any test of a person's DNA/RNA.

If the District's employees or agents legally and/or inadvertently receive genetic information about an employee or applicant, it shall be treated as a confidential medical record in accordance with law.

The District's Compliance Officer (see Policy 1422 - Nondiscrimination and Equal Employment Opportunity) is responsible for overseeing the Board's compliance with this policy and GINA and proposing revisions and additions to this policy as necessary to ensure the Board's compliance with GINA. This person shall be responsible for working with the Board's legal counsel to fully implement the requirements of GINA in all activities of the School District. The Compliance Officer also shall verify that proper notice of nondiscrimination for Title II of GINA is provided to staff members, and that all requests for health-related information (e.g., to support an employee's request for reasonable accommodation under the ADA or a request for sick leave) are accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The warning shall read as follows:

Genetic Information Nondiscrimination Act of 2008 (GINA) Disclosure Requirement

The Genetic Information Nondiscrimination Act of 2008 or "GINA" prohibits employers and other entities covered by the law, including the Board, from requesting or requiring genetic information of an employee or applicant or family member of an employee or applicant, except as specifically allowed by law. To comply with GINA, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services. Questions concerning compliance with the requirements of GINA may be directed to the Compliance Officer at **715-748-4620** [phone].

~~[] The Board offers health services, () including a wellness program. Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to his/her health services providers, but only genetic information in aggregate form will be provided to the District and no applicant or employee shall be identified or identifiable from the reported information.~~

The grievance procedure for complaints of discrimination in Policy 1422 applies to complaints of discrimination, including harassment, or retaliation prohibited by GINA and may be utilized if an employee alleges discrimination or harassment on the basis of genetic information or retaliation for identifying, objecting to, or filing a complaint concerning a violation of GINA or this policy.

1460 - PHYSICAL EXAMINATION

The Board requires any candidate who has been offered employment in a position that involves contact with children or the preparation of food for children, as a condition of employment, to submit to an examination, including a tuberculosis screening questionnaire. Additional testing may be required to assure freedom from tuberculosis in communicable form.

~~[] The Board requires every employee to undergo a physical examination as a condition of ongoing employment every _____ years of employment. [END OF OPTION]~~

No physical examination may be required of any employee who has filed an affidavit with the District Administrator requesting such exemption on the basis that the employee relies exclusively on prayer or spiritual healing in accordance with the teaching of a bona fide religious sect, denomination, or organization and that the employee is to the best of his or her knowledge and belief in good health. An employee exempt from the physical examination requirement may still be required to submit to an examination if there is reason to believe the employee may have an illness that is detrimental to the health of students. Such examination shall be only to the extent sufficient to determine whether the employee suffers from such illness.

☒ The District Administrator may establish additional physical examination requirements for positions requiring particular demands or as may otherwise be required by law. Any fitness for duty examination shall be job related and out of necessity for safe and proper performance of job duties. ~~[END OF OPTION]~~

Freedom from tuberculosis in a communicable form is a condition of employment.

☒ The Board shall also require the candidate to submit to a test for controlled substances the results of which must indicate there is no evidence of unlawful drug use. Such examinations shall be done in accordance with the District Administrator's guidelines. ~~[NOTE: the legality of blanket pre-employment drug testing by a government employer for all positions is uncertain. Courts have concluded that drug tests that are not based on a suspicion of drug use are permissible only where the position involves "safety-sensitive" employment. Selecting this option should be done with the advice of legal counsel.]~~

Employees will be required to execute a release that complies with the requirements of the Health Insurance Portability and Accountability Act in order to allow the report of the medical examination to be released to the Board/District Administrator and to allow the District Administrator to speak to the health care provider who conducted the medical examination in order to get clarification (see Form 1460 F2).

Reports of all such examinations or evaluations shall be delivered to the District Administrator, who shall protect their confidentiality. Reports will be discussed with the employee or candidate. In compliance with the Genetic Information Nondiscrimination Act (GINA) and Board Policy 1422.02 the successful candidate who is required to submit to a medical examination, as well as the health care provider that is designated by the Board to conduct the examination, are directed not to collect genetic information or provide any genetic information, including the candidate's family medical history, in the report of the medical examination.

Employees will be notified of the results of the medical examination upon receipt. Any and all reports of such examination will be maintained in a separate confidential personnel file in accordance with the Americans with Disabilities Act, as amended ("ADA") and the Genetic Information Nondiscrimination Act (GINA).

The results of any physical examination conducted in the course of the employment process shall be solely for the purpose of determining employment eligibility or as may otherwise be required by law. Consideration of physical information in employment shall be consistent with the Americans with Disabilities Act (ADA) as amended and the Wisconsin Fair Employment Act (WFEA).

The Board shall assume any fees for required examinations.

1461 - **UNREQUESTED LEAVES OF ABSENCE/FITNESS FOR DUTY**

It is the policy of the Board to protect students and employees from the effects of contagious diseases and other circumstances that render administrators unable to perform their duties.

The Board authorizes the District Administrator to place an administrator on leave for a physical or mental condition that affects the employee's ability to perform assigned duties in conformance with the law.

The District Administrator may require that the administrator submit to an appropriate examination by a healthcare provider of the administrator's choice, a healthcare provider designated and compensated by the District, or both.

The employee will be required to execute a release that complies with the requirements of the Health Insurance Portability and Accountability Act (HIPAA) in order to allow the report of the medical examination to be released to the Board/District Administrator and to allow the District Administrator to speak to the health care provider who conducted the medical examination in order to get clarification. Refusal of the administrator to submit to an appropriate examination requested by the District Administrator or to execute the HIPAA release will be grounds for disciplinary action, up to and including termination.

As required by Federal law and regulation and Board Policy 1422.02 - Nondiscrimination Based on Genetic Information of the Employee, the District Administrator shall direct the provider designated by the District to conduct the examination not to collect genetic information or provide any genetic information, including the individual's family medical history, in the report of the medical examination.

Pursuant to State law and in accordance with the Americans with Disabilities Act, as amended (ADA) and the Genetic Information Nondiscrimination Act (GINA), the results of any such examination shall be treated as a confidential medical record and will be exempt from release, except as provided by law. If the District inadvertently receives genetic information about an individual who is required to submit to an appropriate examination from the medical provider, it shall be treated as a confidential medical record as required by the ADA.

If, as a result of such examination, the administrator is found to be unable to perform assigned duties, the administrator shall be placed on a leave of absence pending further determination of ability to perform duties, including evaluation of any reasonable accommodations in the event of the existence of a disability.

Should an Administrator, as defined in Policy 0100 - Definitions, refuse to submit to the examination requested by the District Administrator, such refusal shall subject the administrator to disciplinary action.

The District Administrator may designate any period of leave under this policy as qualifying leave under State and/or Federal FMLA leave entitlement consistent with Policy 3430.01 - Family & Medical Leave of Absence (FMLA) as provided by law.

In the event the District Administrator is the administrator subject to this policy, the Board President shall direct the appropriate actions pursuant to this policy and Policy 1260 - Incapacity of the District Administrator.

Title	FAMILY & MEDICAL LEAVE OF ABSENCE ("FMLA")
Code	po1630.01 (YES)

Legal	29 U.S.C. 2601 et. seq. 29 C.F.R. Part 825 103.10, Wis. Stats. Wis. Admin. Department of Workforce Development (DWD) 225 National Defense Authorization Act of 2010

1630.01 - FAMILY & MEDICAL LEAVE OF ABSENCE ("FMLA")

Introduction

In accordance with Federal and State law, the Board will provide family and medical leave to administrative staff. The Board's Family and Medical Leave Act policy is intended to conform to and comply with, but not exceed, the requirements of the Federal Family and Medical Leave Act of 1993 ("FMLA") and the Wisconsin Family and Medical Leave Act ("WFMLA"). To the extent that this policy is ambiguous or conflicts with the FMLA or the WFMLA, the FMLA and the WFMLA will govern.

Family and medical leave taken under this policy may be covered by Federal law, State law, or both. When leave taken by a staff member under this policy is governed by both Federal and State law, the more generous provision will control in the event of a conflict. However, when leaves are governed by State or Federal law, but not both, the applicable law will control under this policy. In this regard, staff members should note that certain leaves may be covered by both State and Federal law for only a portion of the leave. To the extent permitted by law, leave under the FMLA, leave under the WFMLA and leave granted under the Board's other policies will run concurrently (at the same time).

Eligibility Requirements

To be eligible for leave under the FMLA, a staff member must have been employed by the Board for at least twelve (12) months in the past seven(7) years and must have worked at least 1,250 hours during the twelve (12) month period immediately preceding the commencement of the requested leave.

To be eligible for leave under the WFMLA, a staff member must have been employed for more than fifty-two (52) consecutive weeks and have worked or been paid for at least 1,000 hours in the preceding fifty-two (52) weeks. The kind and amount of leave available to the staff member under this policy, as well as the staff member's rights during leave, depend upon whether the staff member satisfies the above requirements.

Qualifying Reasons for Leave

The Board provides family and medical leave for eligible staff members under the following circumstances:

- A. for the birth of the eligible staff member's child and to care for a newborn child
- B. for placement with the eligible staff member of a child for adoption or foster care
- C. to care for an eligible staff member's spouse, child or parent with a "serious health condition"

The term "child" generally includes a legal ward or a biological, adopted foster or stepchild. For leaves governed exclusively by the FMLA, the term also includes a son or daughter for whom the staff member has assumed the day-to-day obligations of a parent. A child must be **either** under eighteen (18) years of age or unable to care for

themselves due to a physical or mental disability or, for leave under State law only, unable to care for themselves due to a serious health condition.

"Parent" includes a staff member's spouse's legal guardian only if the staff member is requesting leave under the WFMLA.

"Spouse" includes a qualified domestic partner for leaves governed by the WFMLA. Domestic partnerships must be registered with the county of residence and proof of such registration may be requested prior to approval of leave. Unregistered domestic partners must demonstrate that they are 1) both over age eighteen (18); 2) not in a domestic partnership or marriage with another individual; 3) they share a common residence; 4) they are not related in any way that would prohibit marriage under Wisconsin law; 5) they consider each other to be immediate family members and agree to be responsible for the other's living expense.

- D. because of a serious health condition that makes the eligible staff member unable to perform the essential functions of the staff member's position
- E. because of a qualifying exigency resulting from active military service by the employee's spouse, son, daughter, or parent in covered active duty or call to covered active duty in the United States Armed Forces including the National Guard and Reserves

Qualifying exigencies, as defined by Federal regulations, include: 1) short-notice deployment; 2) military events and related activities; 3) childcare and school activities; 4) financial and legal arrangements; 5) counseling; 6) rest and recuperation; (maximum fifteen (15) calendar days); 7) post-deployment activities; 8) caring for a military member's parent who is incapable of self-care when the care is necessitated by the member's covered active duty; and 9) additional activities not encompassed in the other categories, but agreed to by the employer and employee. Covered active duty means deployment with the Armed Forces to a foreign country.

- F. to care for a service member who is the employee's parent, spouse, child or next of kin who, while on active military duty, sustains a serious injury or illness or aggravation of a pre-existing illness or injury while in the line of duty, while on covered active duty in the United States Armed Forces, including the National Guard and Reserves, in the line of duty which renders the service member medically unfit to perform the member's office, grade, rank, or rating

Covered active duty means deployment with the Armed Forces to a foreign country. This leave is also available to care for veterans of the United States Armed Forces, including the National Guard and Reserves, provided the veteran was a service member at any time within the five (5) years prior to the start of the treatment, recuperation or therapy. In accordance with applicable regulations, a veteran's serious injury or illness incurred or aggravated in the line of active duty can also be manifested by: 1) a physical or mental condition with a VA Service Disability Rating of 50% or greater and is the condition precipitating the need for leave; or 2) a physical or mental condition that substantially impairs the ability to secure or substantially follow a gainful occupation, or would do so absent treatment; or 3) an injury, including psychological, for which the veteran has been enrolled in the Dept. of V.A. Program of Comprehensive Assistance for Family Care Givers. Leave is available for up to twenty-six (26) weeks in a twelve (12) month period. This type of leave is available for serious injury or illness which results in:

1. inpatient medical treatment, recuperation or therapy;
2. outpatient services at a military treatment facility or assignment to a unit established for the purpose of providing command and control of service members receiving outpatient medical services; or
3. assignment to the temporary disability retired list.

The maximum twenty-six (26) weeks of Federal leave to care for a service member includes, and is not in addition to, all other FMLA leave. In other words, employees may not take more than a total of twenty-six (26) weeks of FMLA leave during a single twelve (12) month period for any qualifying reasons under the FMLA. For instance, if an employee takes the maximum twelve (12) weeks of Federal FMLA leave for the staff member's own serious health condition, the employee may then only take fourteen (14) weeks of FMLA leave within that same twelve (12) month period to care for a military family member injured in the line of duty.

The District Administrator will determine whether an employee's request for leave qualifies under one (1) of the above categories.

Amount of Leave Available

Under the FMLA, if the staff member satisfies the eligibility requirements set forth above, the staff member is entitled to a total of twelve (12) work weeks of leave in ~~() a calendar year () a fiscal year running from July 1 to the following June 30 () a twelve (12) month period marked by each employees' date of hire~~ ☒ a rolling twelve (12) month period measured forward from the date of any employee's first FMLA usage **[END OF CALENDAR OPTIONS]** for any of the reasons stated above, with the exception of leave to care for an injured service member, which is provided as described in (F) above.

~~[DRAFTING NOTE: If a decision is made to change the manner of counting Federal leave entitlement usage, the change must be made following at least sixty (60) days notice to employees and in a manner such that any employee qualifying for leave during the transition period is afforded whichever counting method during the leave that affords the employee the greatest benefit.]~~

☒ Spouses who are both employed by the District may take a combined total of twelve (12) weeks of leave for the birth or placement of a child for adoption or foster care. **~~[Drafting Note: this option is available under Federal law, but should only be selected upon the advice of District legal counsel for compliance with Wisconsin's marital status discrimination law].~~**

Under the WFMLA, if the staff member satisfies the eligibility requirements set forth above, the staff member is entitled to ten (10) work weeks of leave in a **calendar year** as follows:

- A. a total of six (6) weeks of leave for the birth of the staff member's natural child and/or the placement of a child with the staff member for, or as a precondition to, adoption;
- B. a total of two (2) weeks of leave to care for a covered family member with a serious health condition; and
- C. a total of two (2) weeks of leave due to the staff member's serious health condition.

Board policy calls for concurrent Federal/State leave coverage whenever a staff member is eligible for leave under both the FMLA and WFMLA to the extent available under the law. All periods of absence from work due to or necessitated by USERRA-covered service is counted in determining an employee's eligibility for FMLA leave.

Definitions of Serious Health Conditions

In conjunction with the certification provided by a healthcare provider, the Board reserves the right to determine whether an illness, injury, impairment or physical or mental condition constitutes a serious health condition entitling a staff member to family or medical leave under State or Federal law.

In general, a "serious health condition" under this policy means an illness, injury, impairment, or physical or mental condition that involves one (1) of the following:

A. Hospital Care

Inpatient care (i.e., an overnight stay) in a hospital or other care facility, including any period of incapacity or subsequent treatment in connection with or consequent to such inpatient care.

B. Absence Plus Treatment

A period of incapacity of more than three (3) consecutive calendar days* (including any subsequent treatment or period of incapacity relating to the same condition), that also involves:

1. treatment two (2) or more times by a healthcare provider, a nurse, physician's assistant or physical therapist under a healthcare provider's supervision, order or referral as appropriate within thirty (30) days of the first date of incapacity; or
2. treatment by a healthcare provider on at least one (1) occasion which results in a regimen of continuing treatment under the supervision of the healthcare provider and occurs within seven (7) days of the first day of incapacity.

*Under the WFMLA, leave may also be available for a "serious health condition" of less than three (3) consecutive days in duration.

C. Pregnancy

Any period of incapacity due to pregnancy, or for prenatal care.

D. Chronic Conditions Requiring Treatment

A chronic condition which:

1. requires periodic visits of at least two (2) times per year for treatment by a healthcare provider, or by a nurse or physician's assistant under a healthcare provider's supervision;
2. continues over an extended period of time (including recurring episodes of a single underlying condition); and
3. may cause episodic rather than continuing periods of incapacity (e.g., asthma, diabetes, epilepsy, etc.).

E. Permanent/Long-Term Conditions Requiring Supervision

A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective. The staff member or their family member must be under the continuing supervision of, but need not be receiving active treatment by, a healthcare provider (e.g., Alzheimer's disease, a severe stroke, or the terminal stages of a disease). The continued existence of such a chronic condition is subject to certification no more than once every six (6) months.

F. Multiple Treatments (Non-Chronic Conditions)

Any period of absence to receive multiple treatments (including any period of recovery therefrom) by a healthcare provider or by a provider of healthcare services under orders of, or on referral by, a healthcare provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three (3) consecutive calendar days in the absence of medical intervention or treatment, including: cancer (chemotherapy, radiation, etc.); severe arthritis (physical therapy); or kidney disease (dialysis).

Required Staff Member Notice

The staff member must provide the District Administrator with notice in a reasonable and practicable manner before leave taken under this policy is to begin, if the need for leave is foreseeable (e.g., an expected birth, placement or adoption or foster care, or planned medical treatment for the staff member's own serious health condition or that of a family member). When requesting partial or intermittent leave in connection with childbirth or adoption under the WFMLA, the staff member must provide at least as much notice as required for taking other non-emergency or non-medical leave, as well as a definite schedule for the leave. Where advance notice is not practical due to uncertainty as to when leave will be required to begin, a change in circumstances or medical emergency, notice must be given as soon as practical. Leave will be accounted for in increments no greater than the smallest increment used for other similar leaves but in no event greater than one (1) hour increments. Leave entitlement will not be reduced by more than the amount of leave actually taken.

[x] Staff members must provide an explanation as to why proper advance notice was not provided in such cases and may be required to verify the explanation. Notice that was not provided timely without reasonable explanation may result in the denial of the leave request.

The staff member must provide a written request for leave, the reasons for the requested leave, and the anticipated beginning date and duration of the leave by submitting a FMLA leave request form to the District Administrator (forms available from the U.S. Department of Labor).

When planning medical treatment, the staff member should consult with their supervisor and make a reasonable effort to schedule the leave so as not to disrupt unduly the District's operations, subject to the approval of the staff member's healthcare provider. The staff member is ordinarily expected to consult with their supervisor in order to work out a treatment schedule which best suits the staff member's needs, as well as the District's.

If a staff member must take more leave than originally anticipated, they must notify the District Administrator within two (2) business days of learning of the circumstances necessitating the extension.

Certification By Healthcare Provider

If a staff member requests leave due to their own serious health condition or the serious health condition of their spouse, child or parent, the Board requires that the leave request be supported by certification issued and signed by the healthcare provider for the individual with a serious health condition. For service member leave, any certification permitted under 29 C.F.R. 825.310 shall be allowed. The Board reserves the right to certify all information permitted by law.

The staff member must provide the fully completed certification to the District Administrator within fifteen (15) calendar days of the date that the certification is provided to the staff member unless it is not practicable to do so despite the staff member's diligent, good faith efforts. If it is not practicable to return the certification within fifteen (15) calendar days, it must be returned to the District Administrator as soon as practicable.

If the staff member fails to submit the certification, the leave or continuation of leave may be delayed until the certification is submitted. Further, any absence prior to the date the certification is furnished may be considered unauthorized. A staff member who is absent without authorization may be disciplined, up to and including termination.

The District Administrator will give a staff member a reasonable opportunity to cure any deficiency in a certification, but not fewer than seven (7) calendar days. It is the responsibility of the staff member or family member with a serious health condition to use a healthcare provider who will complete and furnish an accurate certification in a timely manner.

A member of the administration, other than the staff member's direct supervisor, may contact the healthcare provider to clarify illegible answers and to authenticate the certification. If the certification is incomplete or otherwise unclear, the administrator must request that the employee obtain updated or completed information from the healthcare provider and return it directly to the administrator.

If the District Administrator doubts the validity of a certification, the District Administrator may require, at the Board's expense, that the staff member obtain a second opinion from a Board-designated provider, not regularly employed by the Board. If the opinions of the staff member's and the Board's healthcare providers differ, a third, final and binding opinion may be obtained. The staff member must cooperate in obtaining a second or third opinion including facilitating the transfer of pertinent records to the subsequent healthcare providers.

The District Administrator may request re-certifications on a periodic basis as permitted by law.

Designation of Leave

In all circumstances, it is the responsibility of the District Administrator to designate leave, whether paid or unpaid, as FMLA leave and to give the staff member notice of the designation and their rights and responsibilities under this policy.

The District Administrator will give the staff member the notice on each occasion that the staff member notifies their supervisor of the need for leave that may be FMLA-qualifying, including, but not limited to, when the staff member requests another type of leave for an FMLA-qualifying reason. In the case of intermittent or reduced schedule leave, only one (1) notice will be provided unless the circumstances regarding the leave have changed.

Absent extenuating circumstances, the District Administrator will provide to the employee a "Designation Notice" stating whether a request for leave has been approved or denied within five (5) business days. At a minimum, the staff member will be verbally notified whether leave is being designated as FMLA leave within five (5) business days of the date the staff member provides information to the District Administrator sufficient to enable the District Administrator to determine that the leave is being taken for an FMLA-qualifying reason.

The District Administrator will confirm the verbal notice with the written notice as soon as feasible, but no later than the first payday following the verbal notice (unless the payday is less than one (1) week after the verbal notice, in which case the notice must be no later than the subsequent payday).

Manner In Which Leave Can Be Taken

Leave available under this policy may be taken in full and, under certain circumstances, may also be taken intermittently or on a reduced leave schedule. Intermittent leave is leave taken in separate blocks of time due to a single qualifying reason. Reduced schedule leave is leave that reduces the usual number of working hours per day or week. The staff member must consult with their supervisor and make a reasonable effort to schedule intermittent or reduced schedule leave so it does not unduly disrupt the District's operations.

When leave is governed only by the FMLA, intermittent or reduced schedule leave to be with the employee's newborn child, or after the placement of a child with the employee for adoption or foster care, requires the District's agreement, unless the intermittent or reduced schedule leave is due to a serious health condition.

Intermittent or reduced schedule leave due to a serious health condition must be medically necessary. Medically necessary means there must be a medical need for the leave and the leave can be best accommodated through an intermittent or reduced leave schedule, as certified by the healthcare provider in the Certification.

When leave is governed only by the FMLA, the District Administrator may offer a staff member a temporary transfer to another position for which the staff member is qualified with equivalent pay and benefits that better accommodates the intermittent or reduced schedule leave when the need for leave is foreseeable based on planned medical treatment or the staff member takes such leave for the birth of a child or for placement of a child for adoption or foster care. The staff member may reject this offer in which case there will be no adverse effect on the leave or entitlement to return to the same or similar position following leave. Any time spent by the staff member in an alternative position will not count against the employee's FMLA leave entitlement.

Instructional staff members (i.e. individuals whose principal function is to teach and instruct students in a class, a small group, or an individual setting) who request intermittent leave or a reduced-leave schedule governed only by the FMLA, which would exceed twenty percent (20%) of the total number of working days over the period of anticipated leave, must elect either to:

- A. take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
- B. transfer temporarily to an available alternative position offered by the District Administrator for which the instructional staff member is qualified, and that has equivalent pay and benefits and that better accommodates the recurring periods of leave than the staff member's regular position.

Coordinating Leaves - Substitution

Generally, leave taken under this policy is unpaid. However, for leave governed exclusively by the FMLA, the staff member ~~must~~ ☒ may ~~[END OF OPTION]~~ use the following leaves provided by the Board, if available:

- A. vacation or personal leave, if available, for any family or medical leave;
- B. accrued paid family leave (i.e., paid leave covering the particular circumstances for which the staff member is seeking leave), if available, for birth, adoption, or to care for a seriously ill family member; and
- C. accrued paid medical or sick leave, if available, to care for a seriously ill family member, or for the staff member's own serious health condition.

A staff member may not substitute paid leave for unpaid FMLA leave taken under this policy in any situation where the Board would not normally provide such paid leave.

For leaves governed by the WFMLA, a staff member may substitute paid or unpaid leave, which s/he have earned and accrued, for leave taken under this policy, if available. The Board reserves the right to deny substitution as permitted by law.

Any paid leave substituted for unpaid FMLA leave or WFMLA leave will decrease, in whole or in part, the staff member's FMLA and/or WFMLA leave entitlement.

Continuation of Benefits

A staff member will remain eligible for group health insurance benefits under the Board's group health plan during leave taken under this policy under the same conditions as coverage would have been provided if the staff member had been actively employed during the entire leave. However, the staff member has the option of choosing not to retain such coverage during family or medical leave.

During leave taken under this policy, the Board will continue to pay any portion of group health insurance premiums for coverage that it was responsible for paying immediately prior to the leave as required by law. The staff member will be responsible for paying their portion of health insurance premiums regardless of whether the family and medical leave is paid or unpaid. It is the staff member's responsibility to make arrangements with the District Administrator for making premium payments for group health insurance during leaves.

To the extent permitted by law, the Board reserves the right to require the staff member to place up to eight (8) weeks of health insurance premiums in escrow prior to leave, or to discontinue coverage if such premiums are received more than thirty (30) days late.

The staff member's entitlement to benefits other than group health benefits during a period of family or medical leave is determined by the Board's policy regarding provision of such benefits when a staff member is on other types of leave.

If a staff member fails to return to work or fails to remain at work for a period provided under the law, the District may recover its portion of the premiums paid for medical benefit coverage during the leave, unless the reason for the staff member's failure to return to work is due to the continuation of the serious health condition or the onset of a new serious health condition.

Accrual of Benefits

The use of leave under this policy will not result in the loss of any employment benefit that accrued prior to the start of the staff member's leave. A staff member will not continue to accrue seniority or any other employment benefit during leave taken under this policy, except that such benefit shall accrue if the staff member elects to use other leaves provided by the Board, and if such benefits would normally accrue during such leave.

Employment Restoration

A staff member will generally be reinstated to the same position they held when leave began or a position with equivalent pay, benefits, and other terms and conditions of employment, if such position remains available, and the staff member possesses the ability to perform the essential functions of the job satisfactorily, with or without any accommodation that may be required by the Americans With Disabilities Act of 1990. The staff member, however, has no greater right to reinstatement or benefits than if the staff member had been actively employed during the leave. Further, if the staff member gives unequivocal notice of intent not to return to work, the staff member is not entitled to be reinstated.

A staff member who exceeds the FMLA/WFMLA leave, but remains off work under a non-FMLA/WFMLA leave policy, is not entitled to reinstatement to the same or a similar position under the FMLA/WFMLA; however, the staff member may be eligible to be reinstated under the non-FMLA/WFMLA leave policy.

A staff member who is able to return to work prior to the expiration of leave must notify their supervisor immediately. Upon such notice, the District Administrator will promptly reinstate the staff member to active employment, provided the staff member has the present skill and ability to perform the essential functions of their job satisfactorily with or without accommodation. However, the reinstatement need not occur until the third business day following the staff member's notification of their ability to return to work.

Fitness For Duty Certification

If leave is due to the staff member's serious health condition, the staff member must present certification to return to work to their supervisor upon returning to work. The staff member's Principal attending physician must complete the certification. The certification must indicate that the staff member has been released to return to work. It must also specify any physical or other limitation on the staff member's ability to perform regular or other duties and the duration of the limitations. No certification will be required when the staff member returns from intermittent leave, except as otherwise permitted or required by the Americans With Disabilities Act of 1990.

The certification will be limited to the particular health condition that caused the staff member's need for leave, except as otherwise permitted by the Americans With Disabilities Act of 1990. If the staff member is an "individual with a disability" within the meaning of the ADA, any fitness-for-duty physical examination or inquiry by the District will be job-related and consistent with business necessity.

Reinstatement may be delayed until the staff member submits the certification. Under such circumstances, if the staff member does not promptly provide a certification or qualify for another leave of absence, the staff member may be disciplined, up to and including termination.

With the staff member's permission, the Board's healthcare provider may contact the staff member's healthcare provider to clarify and authenticate the certification, but no additional information may be requested or required, and the staff member's return to work may not be delayed while the contact is being made. No second or third fitness for duty certification may be required.

Confidentiality

All medical information relating to leave, whether written or verbal, shall be kept confidential to the maximum extent possible. All medical documents including, but not limited to, medical certifications and return-to-work statements must be maintained in confidential, secure files separate from personnel files.

No Discrimination

Leave under this policy will not be used as a negative factor in employment actions, such as hiring, promotions, disciplinary actions or under attendance policies.

Miscellaneous

The District Administrator may designate another administrator to perform their duties under this policy.

A staff member who fraudulently obtains leave under this policy is not protected by this policy's job restoration or maintenance of health benefits provisions.

The District Administrator shall see that the policy is posted properly.

The District Administrator shall provide a copy of the policy upon the request of a staff member.

1662 - **EMPLOYEE ANTI-HARASSMENT**

Prohibited Harassment

The Board is committed to a work environment that is free of harassment of any form. The Board will not tolerate any form of harassment and will take all necessary and appropriate action to eliminate it. Any member of the School District community who violates this policy will be subject to disciplinary action, up to and including termination of employment. Additionally, appropriate action will be taken to stop and otherwise deal with any third party who engages in harassment against our employees.

The Board will vigorously enforce its prohibition against harassment based on race, color, national origin, age, sex (including gender status, change of sex, sexual orientation, or gender identity), pregnancy, creed or religion, genetic information, handicap or disability, marital status, citizenship status, veteran status, military service (as defined in 111.32, Wis. Stats.), ancestry, arrest record, conviction record, use or non-use of lawful products off the District's premises during non-working hours, declining to attend an employer-sponsored meeting or to participate in any communication with the employer about religious matters or political matters (collectively, Protected Classes), or any other characteristic protected by law in its employment practices (hereinafter referred to as harassment), and encourages those within the School District community as well as Third Parties, who feel aggrieved to seek assistance to rectify such problems. The Board prohibits harassment that affects tangible job benefits, interferes unreasonably with an individual's work performance, or creates an intimidating, hostile, or offensive working environment. Harassment may occur employee-to-employee, employee-to-student, male-to-female, female-to-male, male-to-male, or female-to-female.

The Board will investigate all allegations of harassment and, in those cases where harassment is substantiated, take immediate steps to end the harassment, prevent its reoccurrence, and remedy its effects.

Individuals who are found to have engaged in harassment will be subject to appropriate disciplinary action.

~~[-] The District will offer counseling services to any person found to have been subjected to harassment and, where appropriate, the person(s) who committed the harassment.~~

Notice

Notice of the Board's policy on anti-harassment related to employment practices and the identity of the District's Compliance Officers will be posted throughout the District and published in any District statement regarding the availability of employment, staff handbooks, and general information publications of the District as required by Federal and State law and this policy.

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Complainant is the individual who alleges, or is alleged, to have been subjected to harassment, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged harassment.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the District office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Respondent is the individual who has been alleged to have engaged in harassment, regardless of whether the Reporting Party files a formal complaint or is seeking an informal resolution to the alleged harassment.

School District community means students and Board employees (i.e., administrators, and professional and support staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Bullying

Bullying rises to the level of harassment when one or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more students or employees and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal civil rights laws. It is defined as any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational or work environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school or work performance or participation; and may involve:

- A. teasing;
- B. threats;
- C. intimidation;
- D. stalking;
- E. cyberstalking;
- F. cyberbullying;
- G. physical violence;
- H. theft;
- I. sexual, religious, or racial harassment;
- J. public humiliation; or
- K. destruction of property.

"Harassment" also includes "hate speech"—the use of language, behavior, or images/symbols that express prejudice against a particular group or groups on the basis of any protected characteristic(s).

Examples are:

- A. making statements that promote violence toward a racial or ethnic group;
- B. drawing, displaying, or posting images or symbols of prejudice (e.g., swastikas).

Sexual Harassment

For purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964, sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other physical, verbal, or visual conduct based on sex constitutes sexual harassment when:

- A. a supervisory employee engages in harassing behavior towards a subordinate employee, regardless of whether such conduct creates a hostile work environment;
- B. acquiescence in or submission to such conduct is an explicit or implicit term or condition of employment;
- C. an individual's acquiescence in, submission to, or rejection of such conduct becomes the basis for employment decisions affecting that individual;
- D. such conduct is sufficiently severe, pervasive, and persistent such that it has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment;
- E. consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism results in an adverse employment action for another employee or otherwise creates a hostile work environment;
- F. inappropriate boundary invasions by a District employee or other adult member of the District into a student's personal space and personal life.

Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

Sexual Harassment covered by Policy 2266 ~~()/AG 2266 [END OF OPTION]~~ – Nondiscrimination on the Basis of Sex in Education Programs or Activities, i.e., sexual harassment prohibited by Title IX, is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266 ~~()/AG 2266 [END OF OPTION]~~ – Nondiscrimination on the Basis of Sex in Education Programs or Activities.

Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- A. unwelcome sexual propositions, invitations, solicitations, and flirtations;
- B. unwanted physical and/or sexual contact;
- C. threats or insinuations that a person's employment, wages, promotion, assignments, or other conditions of employment may be adversely affected by not submitting to sexual advances;
- D. unwelcome verbal expressions, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls, text messages, or social media postings;
- E. sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings, or literature placed in the work environment that reasonably may embarrass or offend individuals;
- F. unwelcome and inappropriate touching, patting, or pinching; obscene gestures;
- G. asking or telling about sexual fantasies, sexual preferences, or sexual activities;
- H. speculation about a person's sexual activities or sexual history or remarks about one's own sexual activities or sexual history;
- I. giving unwelcome personal gifts, such as lingerie, that suggest the desire for a romantic relationship;

- J. leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin;
- K. consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment;
- L. inappropriate boundary invasions by a District employee or other adult member of the School District community into a student's personal space and personal life; and
- M. verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.

Sexual relationships between staff members, where one staff member has supervisory responsibilities over the other, are discouraged as a matter of Board policy. Such relationships have an inherent possibility of being construed as sexual harassment because the consensual aspect of the relationship may be the result of implicit or explicit duress caused by uncertainty regarding the consequences of non-compliance.

Romantic or sexual relationships between District staff (teachers, aides, administrators, coaches or other school authorities) and a student is expressly prohibited. Any school staff member who engages in sexual conduct with a student may also be guilty of a crime and any information regarding such instances will be reported to law enforcement authorities.

~~[] Boundary Invasions~~

~~Boundary invasions may be appropriate or inappropriate. Appropriate boundary invasions make medical or educational sense. For example, a teacher or aide assisting a kindergartner after a toileting accident or a coach touching a student during wrestling or football can be appropriate. However, other behaviors might be going too far, are inappropriate and may be signs of sexual grooming. Inappropriate boundary invasions may include, but are not limited to the following:~~

- ~~A. hugging, kissing, or other physical contact with a student;~~
- ~~B. telling sexual jokes to students;~~
- ~~C. engaging in talk containing sexual innuendo or banter with students;~~
- ~~D. talking about sexual topics that are not related to curriculum;~~
- ~~E. showing pornography to a student;~~
- ~~F. taking an undue interest in a student (i.e. having a special friend or a special relationship);~~
- ~~G. initiating or extending contact with students beyond the school day for personal purposes;~~
- ~~H. using e-mail, text messaging, or websites to discuss personal topics or interests with students;~~
- ~~I. giving students rides in the staff member's personal vehicle or taking students on personal outings without administrative approval;~~
- ~~J. invading a student's privacy (e.g. walking in on the student in the bathroom, locker room, asking about bra sizes or previous sexual experiences);~~
- ~~K. going to a student's home for non-educational purposes;~~
- ~~L. inviting students to the staff member's home without proper chaperones (i.e. another staff member or parent of student);~~
- ~~M. giving gifts or money to a student for no legitimate educational purpose;~~
- ~~N. accepting gifts or money from a student for no legitimate educational purpose;~~
- ~~O. being overly touchy with students;~~
- ~~P. favoring certain students by inviting them to come to the classroom at non-class times;~~
- ~~Q. getting a student out of class to visit with the staff member;~~

- ~~R. providing advice to or counseling a student regarding a personal problem (i.e. problems related to sexual behavior, substance abuse, mental or physical health, and/or family relationships, etc.), unless properly licensed and authorized to do so;~~
- ~~S. talking to a student about problems that would normally be discussed with adults (i.e. marital issues);~~
- ~~T. being alone with a student behind closed doors without a legitimate educational purpose;~~
- ~~U. telling a student secrets and having secrets with a student;~~
- ~~V. other similar activities or behavior;~~

~~() _____.~~

~~Inappropriate boundary invasions are prohibited and must be reported promptly to one of the District Compliance Officers, as designated in this policy, the Building Principal or the District Administrator.~~

~~[END OF BOUNDARY INVASIONS OPTION]~~

Religious (Creed) Harassment

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

National Origin/Ancestry Harassment

Prohibited national origin/ancestry harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin or ancestry and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's national origin or ancestry, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Age Harassment

Prohibited age-based harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's age, being over age forty (40), and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment.

Race/Color Harassment

Prohibited race/color based harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race and/or color and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references regarding racial customs.

Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability, perceived disability, or record of disability, and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's current or past disability or a perceived condition, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

Anti-Harassment Compliance Officers

The following individual(s) shall serve as the District's Anti-Harassment Compliance Officer(s) (hereinafter, "the Compliance Officer(s)" or CO or COs):

[DRAFTING NOTE: Neola suggests the Board appoint both a male and a female Compliance Officer in order to provide Complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. The same individual(s) assigned to serve as Compliance Officer(s) may also be assigned to serve as the District's Section 504 Compliance Officer(s) /ADA Coordinator(s) and/or Title IX Coordinator(s). Additionally, by appointing two (2) Compliance Officers, there should also be a Compliance Officer available to investigate a claim of harassment that pertains to the other Compliance Officer, as appropriate.]

The Compliance Officer(s) are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding harassment.

Reports and Complaints of Harassing Conduct

The Compliance Officer(s) will be available during regular school/work hours to discuss concerns related to harassment, to assist students, other members of the District community, and third parties who seek support or advice when informing another individual about unwelcome conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

Compliance Officers shall accept reports of harassment directly from any member of the School District community or a Third Party or receive reports that are initially filed with an administrator, supervisor, or other District-level official. Upon receipt of a report of alleged harassment, the Compliance Officer(s) will contact the Complainant and begin either an informal or formal complaint process (depending on the request of the Complainant or the nature of the alleged harassment), or ~~[] Option 1 the CO(s) will designate a specific individual to conduct such a process as identified in a pre-defined list of investigators. [END OF OPTION 1] x] Option 2 the District Administrator will designate a specific individual to conduct the process necessary for an informal or formal investigation. [END OF OPTION 2]~~ The Compliance Officer(s) will provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the Compliance Officer(s) will prepare recommendations for the District Administrator or will oversee the preparation of such recommendations by a designee. All Board employees must report incidents of harassment that are reported to them to the Compliance Officer within two (2) days of learning of the incident.

Any Board employee who directly observes harassment is obligated, in accordance with this policy, to report such observations to the Compliance Officer(s) within two (2) days. Additionally, any Board employee who observes an act of harassment is expected to intervene to stop the harassment, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the harassment. Thereafter, the Compliance Officer(s) or designee must contact the Complainant, if age eighteen (18) or older, or Complainant's parents/guardians if the Complainant is under the age eighteen (18), within two (2) days to advise of the Board's intent to investigate the alleged wrongdoing.

Members of the School District community along with Third Parties are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor or other District official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a report shall file it with the Compliance Officer within two (2) days of receiving the report of harassment.

Members of the School District community and Third Parties who believe they have been harassed by another member of the School District community or a Third Party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment unless the complaining individual makes the complaint maliciously or with the knowledge that it is false.

Reporting procedures are as follows:

- A. Any employee who believes s/he has been the victim of harassment prohibited under this policy is encouraged to report the alleged harassment to the appropriate school official as identified in D below.
- B. Teachers, administrators, and other District officials who have knowledge of or receive notice that an employee has or may have been the victim of harassment prohibited under this policy shall immediately report the alleged harassment to the appropriate school official as defined in D below.
- C. Any other person with knowledge or belief that an employee has or may have been the victim of harassment prohibited by this policy shall be encouraged to immediately report the alleged acts to an appropriate school official as identified in D below.
- D. Appropriate District officials are as follows:
 1. Any complaint under this policy shall be reported to the District's Compliance Officer unless the complaint is regarding the Compliance Officer. In such cases, the complaints shall be reported to the District Administrator, who will coordinate with the other appointed/designated CO, or, if appropriate appoint/designate another individual to serve as CO for the complaint regarding a CO.

2. Any complaint under this policy regarding the District Administrator or Board Member that is received by the District Compliance Officer shall be referred to the Board's legal counsel, who shall assume the role of the District Compliance Officer for such complaints.

E. The reporting party or Complainant shall be encouraged to use a report form available from the Principal of each building or available from the District office, but oral reports shall be considered complaints as well. ***Use of formal reporting forms shall not be mandated.*** However, all oral complaints shall be reduced to writing. Further, nothing in this policy shall prevent any person from reporting harassment directly to the District Administrator or other supervisory employee.

F. To provide individuals with options for reporting harassment to an individual of the gender with which they feel most comfortable, the District shall designate both a male and a female District Compliance Officer.

If during an investigation of alleged bullying, aggressive behavior, and/or harassment in accordance with Policy 5517.01 - Bullying, the Principal believes that the reported misconduct may have created a hostile work environment and may have constituted discriminatory harassment based on a Protected Class, the Principal shall report the act of bullying, aggressive behavior and/or harassment to the Compliance Officer(s) who shall investigate the allegation in accordance with this policy. If the alleged harassment involves Sexual Harassment as defined by Policy 2266, the matter will be investigated in accordance with the grievance process and procedures outlined in Policy 2266. While the Compliance Officer investigates the allegation, or the matter is being addressed pursuant to Policy 2266, the Principal shall suspend the Policy 5517.01 investigation to await the Compliance Officer's written report or the determination of responsibility pursuant to Policy 2266. The Compliance Officer shall keep the Principal informed of the status of the Policy 1662 investigation and provide the Principal with a copy of the resulting written report. Likewise, the Title IX Coordinator will provide the Principal with the determination of responsibility that results from the Policy 2266 grievance process.

Investigation and Complaint Procedure ~~(see Form 1662-F1)~~

Except for Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Program or Activities, any employee or other member of the School District community or Third Party (e.g., visitor to the District) who believes that they have been subjected to harassment or has witnessed harassment of another may seek resolution of the complaint through the procedures described below. The complaint process involves an investigation of the Complainant's claims of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated.

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of harassment or retaliation with the United States Department of Education Office for Civil Rights (OCR), the Wisconsin Equal Rights Division, and/or Equal Employment Opportunity Commission (EEOC). The Chicago Office of the OCR can be reached at John C. Kluczynski Federal Building, 230 S. Dearborn Street, 37th Floor, Chicago, IL 60604; Telephone: 312-730-1560; FAX: 312-730-1576; TDD: 800-877-8339; Email: OCR.Chicago@ed.gov; Web: <http://www.ed.gov/ocr>.

Complaint Procedure

A Complainant who alleges harassment based on a protected class or retaliation may file a complaint, either orally or in writing: 1) with a Principal; 2) directly to one of the COs; or 3) to the District Administrator or other supervisory employee. As noted above, any complaint received regarding the District Administrator or a Board member shall be referred to the Board's legal counsel, who shall assume the role of the CO for such complaints. Additionally, if the complaint is regarding a CO, the complaint shall be reported to the District Administrator, who will consult with the other appointed/designated CO, if any, and if necessary appoint/designate another individual to serve in the role of CO for a complaint regarding a CO.

Due to the sensitivity surrounding complaints of harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a Principal, District Administrator, or other supervisory employee, either orally or in writing, about any complaint of discrimination or retaliation, that employee must report such information to the CO within two (2) days.

Throughout the course of the process as described herein, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All written complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation including but not limited to a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions deemed appropriate in consultation with the District Administrator. No temporary arrangements shall be disciplinary to either the Complainant or Respondent.

Within two (2) days of receiving a complaint, the CO will inform the Respondent that a complaint has been received.

The Respondent is not entitled to receive a copy of any written complaint unless the CO determines it is appropriate to do so; however, the Respondent will be informed about the nature of the allegations. The CO shall inform the Respondent of the requirements of this policy, which may include providing the Respondent with a copy of this policy or information about where to find it. Respondent shall be afforded the opportunity to submit a written response to the complaint. The CO shall inform the Respondent of the Respondent's deadline to provide the CO with the written response to the allegations in the complaint.

Within two (2) days of receiving the complaint, the CO will initiate an investigation by at a minimum confirming receipt of the complaint with the Complainant and informing the Complainant of the investigation process.

~~[] [OPTION 1] Although certain cases may require additional time, the CO or designee will attempt to complete an investigation into the allegations of harassment based on a protected class or retaliation within fifteen (15) days of receiving the formal complaint.~~ ☒ [OPTION 2] Investigations shall be completed promptly. What constitutes promptness will depend on the complexity of the issues, the number of incidents or factual elements, the number of witnesses and documents to be consulted, and the availability of witnesses and other evidence. The CO shall keep the Complainant reasonably informed of the investigation's progress. ~~[END OF OPTIONS]~~

The investigation will include:

- A. interview(s) with the Complainant;
- B. interview(s) with the Respondent;
- C. interviews with any other witnesses who reasonably may be expected to have any information relevant to the allegations, as determined by the CO;
- D. consideration of any documentation or other evidence presented by the Complainant, Respondent, or any other witness which is reasonably believed to be relevant to the allegations, as determined by the CO.

At the conclusion of the investigation, the CO or designee shall prepare and deliver a written report to the District Administrator that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of harassment as provided in this policy and State and Federal law as to whether the Respondent engaged in harassment of or retaliation toward the Complainant. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used.

☒ The CO may consult with the Board's attorney during the course of the investigatory process and/or before finalizing the report to the District Administrator.

In cases where no District CO is able to investigate a complaint due to concerns regarding conflicts, bias or partiality, or for other reasons that impair the CO's ability to conduct an investigation, the CO may ☒ in consultation with the District Administrator or Board President, if the matter involves the District Administrator ~~[END OF OPTION]~~ engage outside legal counsel to conduct the investigation consistent with this policy.

Absent extenuating circumstances, within five (5) days of receiving the report of the CO, the District Administrator must either issue a written decision regarding whether or not the complaint of harassment has been substantiated or request further investigation. A copy of the District Administrator's final decision will be delivered to both the Complainant and the Respondent.

If the District Administrator requests additional investigation, the District Administrator must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) days. At the conclusion of the additional investigation, the District Administrator must issue a final written decision as described above.

If the District Administrator determines the Respondent engaged in harassment of or retaliation toward the Complainant, the District Administrator must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the harassment or retaliation. The corrective action should be reasonable, timely, age-appropriate, effective, and tailored to the specific situation.

The decision of the District Administrator shall be final. If the investigation results in disciplinary action, the employee subject to discipline is entitled to file a grievance pursuant to Board Policy 3340. Nothing in this policy shall be construed to prevent an employee from bringing a complaint before the Equal Employment Opportunity Commission or the Wisconsin Equal Rights Division.

The Board reserves the right to investigate and resolve a complaint or report of harassment regardless of whether the member of the School District community or Third Party alleging the harassment pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board.

The parties may be represented, at their own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

All timelines pertinent to the investigation process are intended to be guidelines to assure that the investigation proceeds with all deliberate efficiency. Failure of the CO to meet any specific timeline does not invalidate the investigation or provide a defense to the allegations.

Privacy/Confidentiality

The District will employ reasonable efforts to protect the rights of the Complainant, the Respondent(s), and all the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligation in an investigation of harassment. The School District will respect the privacy of the Complainant, the Respondent, and all witnesses in a manner consistent with the School District's legal obligations under State and Federal law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided with the Complainant's identity.

During the course of an investigation, the CO will determine whether confidentiality during the investigation process is necessary to protect the interests and reputations of those involved and/or to protect the integrity of the investigation and if so, shall instruct all members of the School District community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided during the course of the investigation.

Directives During Investigation

The CO may recommend to the District Administrator placing any employee involved in an investigation under this Policy on administrative leave pending resolution of the matter. If the District Administrator is the Respondent, the CO shall make such recommendation to the Board. Administrative leave may be appropriate in situations in which protecting the safety of any individual or the integrity of the investigation necessitates such action.

The CO shall determine whether any witnesses in the course of an investigation should be provided a *Garrity* warning apprising the person of his/her obligations to answer questions truthfully and honestly while preserving the right against self-incrimination in the context of any resulting criminal investigation or prosecution.

Every employee interviewed in the course of an investigation is required to provide truthful responses to all questions. Failure to do so may result in disciplinary action.

Remedial Action and Monitoring

If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant, including but not limited to counseling services, reinstatement of leave taken due to the discrimination, or other appropriate action.

The Board may appoint an individual, who may be an employee, to follow up with the Complainant to ensure no further discrimination or retaliation has occurred and to take action to address any reported occurrences promptly.

Sanctions and Disciplinary Action

The Board shall vigorously enforce its prohibitions against harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further misconduct.

While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable law.

When imposing discipline, the District Administrator shall consider the totality of the circumstances. In those cases where harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies.

Where the Board becomes aware that a prior disciplinary action has been taken against the Respondent, all subsequent sanctions imposed by the Board and/or District Administrator shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Allegations Constituting Criminal Conduct

If the CO has reason to believe that the Complainant has been the victim of criminal conduct, such knowledge should be reported to local law enforcement. After such report has been made, the District Administrator shall be advised that local law enforcement was notified.

If the Complainant has been the victim of criminal conduct and the accused is the District Administrator, such knowledge should be reported by the CO to local law enforcement. After such report has been made, the **(x) Board President (→)** ~~Board Attorney~~ shall be advised that local law enforcement was notified.

Any reports made to local law enforcement shall not terminate the COs obligation and responsibility to continue to investigate a complaint of harassment. While the COs may work cooperatively with outside agencies to conduct concurrent investigations, the harassment investigation shall not be stopped due to the involvement of outside agencies without good cause after consultation with the District Administrator.

Reprisal

Submission of a good faith complaint or report of harassment will not affect the Complainant's or reporter's work status or work environment. However, the Board also recognizes that false or fraudulent claims of harassment or false or fraudulent information about such claims may be filed. The Board reserves the right to discipline any person filing a false or fraudulent claim of harassment or false or fraudulent information about such a claim.

The District will discipline or take appropriate action against any member of the School District community who retaliates against any person who reports an incident of harassment prohibited by this policy or participates in a proceeding, investigation, or hearing relating to such harassment. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment.

Miscellaneous

The District shall conspicuously post a notice including this policy against harassment in each school in a place accessible to the School District community and members of the public. This notice shall also include the name, mailing address, and telephone number of the COs, the name, mailing address, and telephone number of the State agency responsible for investigating allegations of discrimination in educational employment, and the mailing address and telephone number of the United States Equal Opportunity Employment Commission.

A ~~()~~ link to ~~()~~ summary of ~~[END OF OPTION]~~ this policy and any related administrative guidelines shall appear in the employee handbook and a copy shall be made available upon request of employees and other interested parties.

Education and Training

The District Administrator shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District staff at such times as the Board in consultation with the District Administrator determines is necessary or appropriate.

The Board will respect the privacy of the Complainant, the individuals against whom the complaint is filed, and the witnesses as much as practicable, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery, disclosure, or other legal obligations.

Retention of Investigatory Records and Materials
