Guidelines for eligible community service activities

Community services hours are subject to the following guidelines:

1. Service hours must be fulfilled outside school hours.
2. The service may not be performed for a relative.
3. The service shall be performed without a material reward.
4. Attending meetings or being on committees will not qualify as service hours.
5. Service hours meeting class requirements will not qualify.
6. Students may not use court-ordered community service hours to fulfill the graduation requirement.

If you have any questions about the eligibility of the activity, get it pre-approved by administration.
