**DATE REVISED: June 22, 2011**    **POLICY TITLE: ADMINISTRATIVE**  
**COUNCILS, CABINETS**  
**AND COMMITTEES**

The board of education encourages the district administrator and other administrators to create and maintain appropriate internal mechanisms for the collaborative sharing of information and the provision of input among district staff, including the creation and use of cross-functional teams and similar work groups when appropriate. Such mechanisms serve to foster productive communication among staff and also allow staff members to have a greater voice in the making of decisions affecting them.
