DATE REVISED:	March 15, 2007		STUDENTS AT RISK
DATE REVISED:	September 19, 2013		

The Medford Area Public School District Board of Education shall establish programs to serve students in the district who are identified at risk.

All programs developed for students at risk shall be designed to:

- A. Improve and expand educational opportunities for these students on an individualized basis through a variety of means, including remedial instruction;
- B. Provide alternative courses or program modifications which satisfactorily meet the school district's graduation requirements;
- C. Encourage parental involvement; and
- D. Encourage cooperation with community support service agencies.

Students shall be identified and referred to these programs in accordance with state regulations and guidelines established by the administration. The Medford Area Public School District shall maintain, on file, a District At-Risk Plan which shall be updated as necessary. A District At-Risk Coordinator shall be appointed by the district administrator, and will carry out the required duties as prescribed in the Wisconsin Administrative Code. If required, an annual report concerning students at risk shall be made to the Department of Public Instruction.
