MEDFORD AREA PUBLIC SCHOOL DISTRICT

DATE ADOPTED: January 16, 2014 **FILE SECTOR: STUDENTS**
DATE REVISED: February 18, 2016 **POLICY TITLE: CLASS SIZE**

Medford Area Public School District Board of Education recognizes that optimal educational achievement for students enrolled in a school setting will be best served by considering the following criteria when determining both school and class sizes:

- Ages of the students being assigned to the class.
- Number of at-risk or special needs students.
- Facility limitations.
- Available financial resources.

Using these considerations, administration will establish class size guidelines and make recommendations subject to board approval.

It is the policy of the Medford Area Public School District Board of Education to recommend class sizes of twenty-five (25) students (+/- 5 students per section), with no limitations on open enrolled students, including students with special needs.
