Benefit Year: January 1 through December 31

Effective Date: 01/01/2025

Security Health Plan certifies that you and any covered dependents have coverage as described in your Certificate and Schedule of Benefits as of the effective date shown on the letter you received with your identification cards, subject to the terms, conditions, exclusions, limitations and all other provisions of the group policy.

This Schedule of Benefits shows your specific cost-sharing, as well as any additional benefits, limitations or exclusions not shown in your Certificate. It also provides a very general summary of your benefits for certain types of services; you will need to read it in conjunction with your Certificate for details about your coverage. Benefits are calculated according to the benefit year shown above. NOTE: All services must be received from in-network providers, except as otherwise described in the Certificate.

Your responsibilities	
Deductible	\$1,650 per individual
This plan is intended to qualify as a high deductible health plan that may be paired with a health savings	\$3,300 per family
account; however, you should check with your tax	The individual deductible does not apply under a
advisor for guidance on your particular situation.	family plan. One or more members of the family must meet the family deductible before benefits will be
	paid.
Coinsurance	10%
Annual out-of-pocket	\$2,650 per individual
(Deductible and coinsurance)	\$5,300 per family
	Only the family limit above applies to a family plan.

 Eligible subscribers will receive a quarterly over-the-counter (OTC) credit. Please refer to www.securityhealth.org/OTC 	

Dependent coverage

and list of products.

Dependent children are covered from birth through the end of the month they attain the age of 26.

In addition, a child who meets the criteria above and is a full-time student as defined in this policy has an extension past age 26, if the child was called to federal active duty in the National Guard or in reserve component of the U.S. Armed Forces while the child was under age 27 and attending, on a full-time basis, an institution of higher learning. Such extension ends on the date described in the full-time student definition in the policy and any previous amendments.
