

# Extended Cancellation Form

Direction to complete the form.

Purpose: We are using the form to gather data necessary to distribute free meal to children living in the District during the school cancelation. The meal will be distributed starting March 23<sup>rd</sup> between 8:00 am and noon. It will include the lunch for the current day and breakfast for the next day. If your children will be at another address, check the associated box and enter the address. The additional data will guide district decisions related to future student online learning.

1. Go to <http://www.medford.k12.wi.us>, choose Family access link.
2. Login To skyward Family Access and choose "Online Forms" from the left navigation menu.
3. Complete the form. If you check a box, complete the sub-section below

Family Access Extended Cancellation Form

Step 1. Meal Delivery/Digital Learning (Required)

Only **one** form needed per family. Check the boxes and fill in additional information for checked sections.

Free meals are available to all students 18 years old and younger.  
NOTE: Meal deliveries will begin Monday, March 23 and will include a lunch and the next day's breakfast.

I would like free breakfast and lunch for my student(s) 18 years old and under. (If chosen, complete a,b, & c)

a. If so, how would you like to receive the meal  (choose 1)

i. Actual locations to be determined (ie town hall, parks) based on results.

b. How many meals (students 18 years old and younger)

c.  Delivery address is different than family address (complete address table below if (a) is checked).

i. Must be within the Medford School District boundaries

House No.	Street	City
<input type="text"/>	<input type="text"/>	<input type="text"/>

Home Internet access  
Please complete item (a) while at home address. This will help determine District wide digital device needs.

We have access to the Internet at our house.

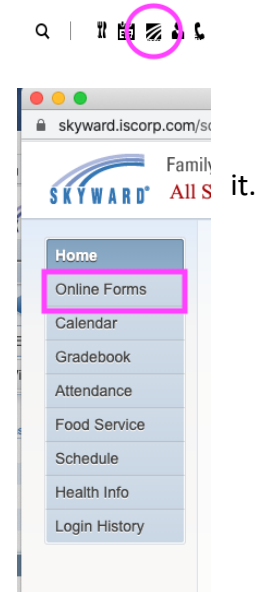

a. If so, please use <http://fast.com> from home and enter the download speed returned.

Device access  
The District is trying to determine device needs, if other education methods become necessary.

We have computing device(s) available for students to use.

a. If not, can you tick up a device at your student's school if it becomes necessary?

Complete Step 1 and move to Step 2

4. After completing the 3 main areas, click the button to "Complete step 1 and move to step 2".
5. Step 2 only has the submit button. Click "Submit Extended Cancellation Form".
